COVID-19 PRECAUTIONS

HHM is held in Harris County's jurisdiction and follows Harris County's and the State of Texas' guidelines and orders relating to Covid-19.

HHM appreciates everyone's cooperation and willingness to take the appropriate measures to reduce the spread of Covid-19, while at the market. Please help us operate HHM safely by following these requirements and guidelines:

- 1) Do not attend the market if you feel ill or if you know that you may have been exposed to Covid-19.**
- 2) Face masks or appropriate face covering (covers the mouth and nose) are currently required to be worn by vendors and HHM visitors, in compliance with Harris County Judge Hidalgo's order, effective June 22, 2020, and Governor Abbott's Executive Order, effective July 3, 2020.**
- 3) Stay at least 6 feet from others (including vendors). There should be no less than a 6 foot space all around you.**
- 4) Do not touch and handle vendors' products.**

**** Visit readyharris.org for more information regarding current Harris County orders and <https://gov.texas.gov/> for more information regarding Governor Abbott's executive orders relating to Covid-19.**
