## 9-BALL MINUTES SINGLE PLAYER LEAGUE SESSION 2014 @ CUE N BREW

- Before writing a break/run or 9-ball break on the score sheet let your opponent know you are doing so. That way if there are any disagreements about whether it happened or not it can be discussed in a civilized manner and resolved at the time (before you move on to the next game). Not at the end of a match when memory's of what happened might not be so clear.
- Player name, match # 1 or # 2, date, the amount of money paid, 9-ball breaks and break and runs noted clearly, and most important each player must sign the score sheet in order to verify the numbers that are being turned into the league.
- At the end of the season we will have a "Bonus Round Tourney". Money will be set aside from the payout for this as well as an entry fee collected on that day from each person that plays. We will draw numbers and handicap will still apply.
- All players get paid.
- The player that wins the most round points/matches will win the league.
- This league will be sanctioned with ACS. (\$10 fee).
- We will only use big tables at Cue n Brew.
- If we loose a player we will throw any money paid into pot and we will convert spot in to a blind. Any games played will be deleted.
- Please be kind, if your match is the last to be played on a table gather balls and chalk and return to register.
- We will pay \$3 for half and hour warm up, if you show up before 3:00 pm.
- If we have a tie for final standings whoever won the match when they played each other will take the spot. If there is still a tie we will use most "games"won or even lease amount of games lost.
- The intent of this league is to create a fun and competitive environment for all.
- **DVPL reserves the right to deny play to anyone who shows unsportsmanlike behavior, either by cheating, sharking, being rude, owing money, throwing balls around, throwing fits when loosing, making condescending comments to others, etc, etc. Any money paid will stay in the pot.**
