DISCUSSION VOTED VIA SURVEY

- a- Money Owed: Remove the rule about teams having to be under the limit of \$80 by week #5 & extend the deadline to ½ way point of the season instead. At that point we start charging the 1 round point penalty each week they're over the limit. **YES**
- b- Position round - remove the free rounds & do not charge the team that doesn't have an opponent the weekly fees. **YES**
- c- Forfeits - The rule is automatic 5 rounds to the non-forfeiting team. Vote on changing this rule to make it average round points +1 if the forfeit occurs within the last 8 weeks of league. Prior to the last 8 weeks allow it to remain the same (5 round points). **YES**
- d- Change the unsportsmanlike rule to a warning to the individual for the 1st offense. If it happens again within a 1-year time frame the entire team is penalized 1 round point. **NO**
