DISCUSSION ITEMS

- a- Money Owed: Remove the rule about teams having to be under the limit of \$80 by week #5. Which also means removing the rule about 1 round point penalty for owing too much money. **YES-NO**

- b- Suggestion to extend deadline to half session before any penalties apply. **YES-NO**

- c- Position round - remove the free rounds & do not charge the team that doesn't have an opponent the weekly fees. **YES-NO**

- d- Forfeits - The rule is automatic 5 rounds to the non-forfeiting team. Vote on changing this rule to make it average round points +1 instead of the automatic 5 rounds. If the forfeit occurs within the last 8 weeks of league. Prior to the last 8 weeks allow it to remain the same (5 round points). **YES-NO**

- e- Change the unsportsmanlike rule to a warning to the individual for the 1st offense. If it happens again

g- Combine the two rules regarding new players after the 1/2 way point of the season (loss of player and/or bringing in new player without prior approval from DVPL). The rounds are not added to the opponents score from the infraction match. **YES-NO**
