

Diablo Valley Pool League

MINUTES OF PLAYERS MEETING FALL SESSION 2022 Player's meeting: Jan 19 Start Jan 26

We hope covid and all its variants will slow down to allow us to do life as normal as possible. We will continue to monitor CDC, pandemic news and react accordingly. Our main priority is to keep all of us safe. We are not requiring masks, but we suggest them strongly. However, you do have to abide by whatever the sponsors rules are pertaining to masks. Let's also maintain 6' separation as much as possible.

If you have decided not to get vaccinated for personal reasons, we suggest taking a break from pool, as most of the local bars are asking for proof of vaccination and we have no say in that process. These are CDC guidelines.

Once the player has played 4 times that data will be used to establish their new average and it will change every week from that point until the end of the season. YES**

9. We will continue to issue a proposed payout, if anyone has a suggestion, we will look at it and if the League sees fit to make any changes that benefits all players, they will do so.
10. No one is to e-mail the captains on their own. If there is something anyone wants to share it must go to league directors first.
11. We will pay top 5 females, 1 most improved (plaque or \$50) and every single team.
12. We welcome new and returning players to join us at any time of league session except on position rounds.
13. For unknown players we want to suggest an average of 6.5 and for known top players we will assign high handicap (8-9).
14. Time-out rule: Applying the time-out rule is a cordial agreement between players. 60 seconds will serve as the time-out limit. A single time out per game is allowed; the following are the guidelines:
 - Time-out to be called by shooter at the table only.
 - Shooter should address your opponent and let them know you are calling a time-out before consulting a teammate.
 - If any other player from the team of the shooter suggests a time-out it will be considered a coaching foul and a ball in hand shall be awarded to the other player. Please share this with friends and teammates as they will cost you a foul if they are not aware of the rule.
 - When you call for a time out only ONE player should exchange information with you - not an entire team.
 - The non-shooting player is NOT allowed to engage in conversation with teammates while an opponent's time-out is in progress.
 - If the opponent is timing your time-out will give you a 10 second warning. Thereafter, if you do not complete your time-out within the 60 second rule it is now a foul and your opponent shall get ball in hand.
 - If a full team of 5 or more shows up to the match and a time out is called, even though only 4 players are playing the match, any of the 5 teammates that are there can be called upon for the time-out.

- Some players do not time their opponent's time-out. Please advise your opponent if you will be timing them.
15. There can be a time limit imposed on slow players. 60 seconds will serve as a guideline for individual shots. If it is observed that a player is playing slow, the captain of the opposing team may go to the captain of the slow player and notify them. The captain of the slow player is to tell his/her player to speed up his/her play OR a shot clock of 60 seconds may be applied to BOTH PLAYERS for the REMAINDER of their GAME. Once a shot clock is invoked in a game, it must apply to both players for the rest of the game, if it's going to be considered fair.
 16. All teams will be charged fees for a minimum of 4 players whether they all have 4 weeks played or not.
 17. We will draw numbers for teams.
 18. Folders will be distributed on first or second week.
 19. We promote league playing, new players, new sponsors, new clinics, new leagues, new tours etc.
 20. We do NOT promise the same sponsors to any one especially if you take a break during the year and other teams do not. If a team takes a season off their home bar is up for grabs.
 21. We reserve the right to move your matches as needed to cover our sponsors.
 22. Fees will be due latest at the middle of the session. After this date score keeper will be able to penalize teams.
 23. Any rule not included in minutes are part of DVPL master rules.
 24. We will continue not to have limit on singles blinds, but we will allow 2 double blinds only.
 25. For the end of the league tourney, we will do a blind draw for this final event, handicap applies, and each player will pay \$10.
 26. When a ball goes off the table, the ball gets spotted, it is a loss of turn and it is not a ball in hand. Excluding the 8 ball.
 27. Starting time for all matches is 7:30. If there is not a full team by 7:45 blinds are to be used. At 8:00 if there still are not enough players to play the match the match is considered a forfeit unless there has been any kind of communication with the other team or league representatives. If there has been communication, please try to work it out and avoid forfeits. Remember we all come from work and are trying to make it to pool and sometimes life happens.

DVPL reserves the right to refuse participation to anybody that we believe has a poor sportsman like behavior or owes money. Warnings will remain in effect for 1 year from warning date. We have established rules. Refer to master rules if needed, however the minutes take precedence.
