Blind log:

The Ruling - 7 singles. 1 double blind allowed. We had two teams that used all of their blinds, so it makes me wonder if the alternate list is not "enticing" enough for everyone to use.

*Every week we will provide a list of the alternates available and their averages. Blind counts stay the same.*

- We played 3 weeks with the average of previous session. On week 4 we started using our adjusted average. *All established players will carry their averages from Spring session or the last session where at least 3 matches (12 games) were played if they did not play in the spring. Only new players will play for 3 weeks to get established.*

## GUIDELINES

1. Deadline to be under the limit of \$80 owed by ½ way point of the season. At that point we start charging the 1 round point penalty each week a team is over the limit.
2. If a team does not have an opponent on position rounds, they will get no free rounds, and no fees are due.
3. Forfeits – We will use the average round points +1 if the forfeit occurs within the last 8 weeks of league. Prior to the last 8 weeks the rule is automatic 5 rounds to the non-forfeiting team.
4. Any physical altercation is an automatic 1-year suspension with a vote from the captains to reinstatement to join a new season.
5. The players are to always show sportsmanlike behavior and never disrespect the bar, its patrons, or the players.
6. No new players after ½ point of season without approval. If they have played with us in the past, there is an existing average. We are bringing this rule back and will enforce it. Please remember to add full names on the score sheet.
7. Penalty from bringing a new player after half session without approval will be loss of any rounds scored by the player.
8. Women's best shooters pays top 3.
9. Cell phones are not allowed while watching a bad hit.
10. Handicap is 150%
11. We have two position rounds one in the middle of the session and one at the end.
12. The floater alternate concept will continue based on need. Alternate has no financial obligation unless agreed with captain. Contact us asap when in need.
13. Players to purchase a drink full prize to qualify for the half free drink from the sponsors who still honor it. Players, please tip your bartenders.
14. League starts at 7:30. If anyone wants to play before 7:00 pm they will have to pay sponsor's regular price.
15. We will continue to use the same rules whenever ties between teams are to be resolved. Position round matches are not used in resolving ties.
16. Tie breaker #1 - Whichever team won the most round points when they played against each other during the regularly scheduled match/matches. We will however split the money evenly between the teams.
17. Tie breaker #2 – To only be used if Tie Breaker #1 didn't resolve the tie. Count the number of games won between the two teams from the match/matches when they played against each other.
18. Tie breaker #3 – To only be used if Tie Breaker #1 & #2 didn't resolve the tie. Count the total number of games won by the teams that are tied for the entire season.
19. When it comes to selecting who plays a blind the team with 4 players gets to select who will play the blind. The blind shall always be on the 4th position.
20. End of year Tourney. Will do a blind draw, single round. Everyone will pay \$10 to enter plus the money saved from main payout. Handicap applies.
21. All new male players will start as 8's and women's as 7's. They will play for 4 weeks before they can be established.
22. All returning players will use established averages where they left last session.
23. When you asked someone to watch a hit, no one else shall have a say on it. Also, we only want a single player doing it.

24. This is BCA sanctioned league, you play, you pay. One-time League Fees are as follows:  
\$20 Scorekeeper fee  
\$20 BCA  
\$10 Towards the pot  
\$50 Total
25. All Captains need to know the rules, posted on website. It is your responsibility to know DVPL's guidelines.
26. Unsportsmanlike behavior is not tolerated in our leagues. For a 1st offense you will receive one warning. For a second offense the player will be suspended for 4 weeks of play. For a 3rd offense you will be invited to go elsewhere.  
No one is to e-mail the captains on their own. If there is something anyone wants to share it must go to league directors first.
27. DVPL reserves the right to refuse participation to anybody that we believe has a poor sportsman like behavior or owes money. Warnings will remain in effect for 1 year from warning date. We have established rules. Refer to master rules if needed, however the minutes take precedence.
