WHO ARE WE?

1.1 OVERVIEW

For over 10 years, **UKECI Academy** delivered tangible improvements to organisations by enabling their leaders, managers and professionals to reach their full potential through transformational learning experiences.

We focus on improving our delegates' management and leadership skills to make them more effective. This improvement in their performance has a positive impact on the productivity of their organisations.

We design and deliver over 100 short programmes across a wide range of disciplines. Our programmes are offered face to face anywhere in the world, online in virtual classrooms, and in blended learning formats.

1.2 MISSION STATEMENT

We are dedicated to offering specialised training and development programmes that bridge culture and training, equipping learners with the skills, knowledge, and competencies needed to excel in a dynamic global environment. Through our commitment to excellence, continuous improvement, and a learner-centred approach, we aim to inspire success and develop personal and professional growth for a brighter, global future.

UKECi
ACADEMY

1.3 VISION STATEMENT

Our Vision is to be recognised as a leading force in the training landscape in UK . We envision a world in which continuous learning and professional development open doors to unlimited opportunities for individuals and organisations. Aspires to set new standards in training excellence, innovation, and accessibility. We are dedicated to cultivating an empowered society that values knowledge, embraces change, and is prepared to lead in a constantly changing global environment.

1.4 CORE VALUES

Our core values guide every aspect of our operations and interactions with clients:

• **Empowerment:** We believe in empowering our clients through knowledge and skills.

• **Innovation:** We continuously seek innovative ways to enhance the learning experience.

• **Integrity:** We conduct our business with the highest levels of honesty and ethical standards.

• **Excellence:** We strive for excellence in everything we do, from programme design to client support.

• **Collaboration:** We embrace collaboration, both within our team and with our clients, to achieve the best outcomes.

• **Continuous Improvement:** We are constantly seeking feedback, adapting to changing needs, and refining our processes.

ACADEMY

1.5 ORIGINS IN THE UK

- **Global Reach and Cultural Insights:** Having UKECI Academy as a subsidiary company enhances our global footprint, offering clients access to a broad spectrum of educational opportunities across Saudi Arabia and the United Kingdom. This unique positioning enables us to provide a diverse learning environment that incorporates valuable cultural insights and global perspectives, essential for today's interconnected world.

- **Proven Methodologies and Diverse Offerings:** UKECI Academy are committed to excellence and innovation in training. Our collaboration allows us to share proven methodologies, ensuring that all programmes are delivered with the highest standards of quality and effectiveness. Clients benefit from an expanded portfolio of courses and training programmes, ranging from professional development and executive skills to specialised English language programmes, all designed to meet the varying needs of individuals and organisations.

- **Streamlined Services and Enhanced Support:** The collaboration between our organisations simplifies accessing a broad spectrum of educational services, including consultancy, programme selection, visa support, and accommodation advice for international students. This integrated approach ensures a seamless and supportive experience for all our clients, enhancing their educational journey and facilitating their success.

- **Innovation and Continuous Improvement:** UKECI Academy foster a culture of innovation and continuous improvement. By combining our research, insights, and industry best practices, we continuously refine our offerings to stay ahead of educational trends and meet the evolving needs of our clients.

UKECi ACADEMY

2

PROGRAMMES

UKECI Academy offers a broad spectrum of high-quality training and professional development services aimed at personal and professional growth. Our diverse programmes, from professional training to specialised English courses, cater to various needs.

2.1 PROFESSIONAL TRAINING

- **Specialised Courses:** We design and deliver over one hundred short programmes across a wide range of disciplines.
- **Customised Programmes:** We combine our academic expertise with your business knowledge to build programmes for a specific purpose and growth in a particular area of expertise.
- **University Programmes:** UKECI Academy co-operates with high-ranking training and education institutions such as University College of London, University of Manchester, Cambridge University, Huddersfield University and Salford University to meet clients' needs.

UKECi
ACADEMY

Some Speciality Programmes:

1. Innovation & Technology:

The Innovation & Technology programme equips participants to lead in the rapidly changing technology sector, concentrating on emerging technologies such as AI, blockchain, and IoT. It covers digital transformation and innovation management, focusing on practical problem-solving and the use of technology. This programme combines theoretical knowledge with practical application, designed to develop leadership skills in technology innovation.

In-demand Trainings:

• **Generative AI for Productivity:** Utilising AI tools to improve workplace efficiency.

• **ChatGPT and Academic Research:** Utilising conversational AI for research purposes.

• **Comparative Analysis of AI Products:** Evaluating Generative AI tools like Bard, Copilot, ChatGPT.

• **Blockchain Fundamentals:** Understanding blockchain technology and its applications.

• **IoT Integration:** Implementing Internet of Things solutions in business operations.

• **Digital Transformation Strategies:** Adapting businesses to digital change.

• **Innovation Management:** Guiding the innovation process from ideation to execution.

• **Creative Problem-Solving:** Developing innovative solutions to complex challenges.

UKECi ACADEMY

2. Hospitality Management:

This programme offers a comprehensive look into the hospitality industry, covering customer service, operations management, and marketing. It focuses on interpersonal skills, financial management, and the practical applications of hospitality theory to prepare participants for a successful career in this sector.

In-demand Trainings:

• **Exceptional Customer Service:** Mastering the art of guest satisfaction.

• **Hotel Operations Management:** Running hotel facilities effectively.

• **Restaurant Management:** Overseeing restaurant operations and services.

• **Event Planning Essentials:** Organising and managing events.

• **Hospitality Marketing:** Crafting strategies for the hospitality market.

• **Interpersonal Skills Development:** Enhancing communication and customer relations.

• **Financial Management in Hospitality:** Budgeting and profitability strategies.

• **Hospitality Law:** Understanding legal aspects affecting the hospitality industry.

UKECi
ACADEMY

3. Executive Skills:

Targeting current and aspiring leaders, this programme focuses on strategic planning, leadership development, financial insight, and change management. It is designed to equip executives with the skills needed for decision-making and organisational leadership.

In-demand Trainings:

• **Strategic Planning:** Setting and achieving organisational goals.

• **Leadership Development:** Inspiring and managing teams.

• **Financial Decision-Making:** Navigating budgetary and economic challenges.

• **Change Management:** Facilitating smooth transitions.

• **Advanced Communication:** Enhancing clarity and persuasiveness.

• **Critical Thinking:** Solving problems effectively.

• **Team Building:** Creating and leading effective teams.

• **Innovation Leadership:** Driving growth through innovation.

UKECi
ACADEMY

4. Business Skills:

This programme covers leadership, management, communication, financial literacy, marketing, and project management. It aims to equip participants with a broad skill set for navigating the business environment.

In-demand Trainings:

• **Writing Scopes of Work (SOW):** Crafting clear project outlines.

• **Analysing SOWs:** Understanding and evaluating project requirements.

• **Understanding Contracts:** Grasping legal and business terms.

• **Writing Proposals:** Developing compelling business proposals.

• **Leadership and Management:** Leading teams and managing resources.

• **Effective Communication:** Enhancing business interactions.

• **Financial Literacy:** Managing budgets and financial analyses.

• **Marketing Strategies:** Understanding market trends and consumer behaviour.

UKECi ACADEMY

5. Health, Safety & Environment (HSE):

This programme focuses on workplace safety, environmental management, and occupational health, aiming to create a safe, healthy, and environmentally responsible workplace. It covers risk assessment, legal compliance, and emergency preparedness.

In-demand Trainings:

• **Workplace Safety Standards:** Identifying and mitigating hazards.
• **Environmental Management Systems:** Reducing ecological footprints.
• **Occupational Health Practices:** Promoting employee well-being.
• **Emergency Response Planning:** Preparing for workplace incidents.
• **Risk Assessment Techniques:** Evaluating and managing workplace risks.
• **Legal Compliance in HSE:** Navigating environmental laws and regulations.
• **Safety Culture Development:** Encouraging a commitment to HSE practices.
• **Sustainability Initiatives:** Implementing eco-friendly practices.

UKECi
ACADEMY

6. Development & Leadership Skills:

This programme focuses on developing effective leadership and personal growth. It covers leadership theories, emotional intelligence, team building, conflict resolution, and strategic planning, to create leaders who can lead with empathy and strategic understanding.

In-demand Trainings:

• **Leadership Theories and Applications:** Exploring and applying key leadership models.

• **Emotional Intelligence:** Enhancing self-awareness and team dynamics.

• **Effective Team Building:** Creating cohesive and productive teams.

• **Conflict Resolution:** Managing disputes constructively.

• **Strategic Planning:** Setting and achieving organisational objectives.

• **Personal Development for Leaders:** Fostering self-improvement and career growth.

• **Communicating with Impact:** Mastering persuasive and clear communication.

• **Innovative Leadership:** Encouraging creativity and innovation in teams.

UKECi ACADEMY

7. Assets & Facility Management:

Focused on optimising a company's physical resources, this programme covers asset tracking, facility upkeep, financial management, risk management, and sustainability. It aims to develop skills in data analysis, maintenance, financial oversight, compliance, and green practices.

In-demand Trainings:

- **Asset Management Fundamentals:** Maximising value from physical assets.
- **Facility Operations & Maintenance:** Ensuring efficient facility operations.
- **Financial Management for Assets:** Budgeting and cost control strategies.
- **Risk Management in Facilities:** Identifying and mitigating physical asset risks.
- **Sustainable Practices:** Implementing eco-friendly management strategies.
- **Regulatory Compliance:** Adhering to laws and standards.
- **Technology in Asset Management:** Leveraging technology for asset optimisation.
- **Strategic Asset Planning:** Long-term asset management strategies.

UKECi
ACADEMY

8. Sports Management:

The primary goal of a person working in the field of sports management is to ensure that all aspects of a sporting event - or professional organization - run smoothly, efficiently, and effectively. With technology advancements such as virtual and augmented reality, blockchain, and artificial intelligence (AI), we will probably soon see some significant changes in the way sports are consumed and managed.

In-demand Trainings:

• **Certificate in Sport Event Management:** Learn how to plan, promote and deliver sporting events

• **Certificate in Stadium Management:** Efficiently and safely overseeing stadium and arena operations

• **Advanced Certificate in Sport and Event Management:** learn how to plan and organise sporting events, and gain specialist skills in venue management

• **Managing Sport Sustainability:** designed to provide a comprehensive and critical review of organisations' interpretation of social responsibility and sustainability issues

• **Developing Leaders in Sports:** Leadership driving force at all levels within their organisation, including in roles such as project managers, department heads, CEOs, or innovation entrepreneurs.

UKECi ACADEMY

9. Renewable Energy & Sustainability:

Aimed towards cultivating sustainable energy solutions, this programme offers insight into solar, wind, and hydropower technologies, energy efficiency, and sustainable development. It prepares participants for roles in promoting renewable energy and environmental conservation.

In-demand Trainings:

- **Solar Energy Fundamentals:** Harnessing solar power for energy production.
- **Wind Energy Technologies:** Understanding wind turbines and wind farm design.
- **Hydropower Implementation:** Utilising water for renewable energy.
- **Energy Efficiency Strategies:** Reducing energy consumption in various sectors.
- **Sustainable Development Practices:** Balancing human needs with environmental preservation.
- **Renewable Energy Integration:** Incorporating renewable sources into existing grids.
- **Environmental Impact Assessment:** Evaluating the ecological effects of energy projects.
- **Policy and Regulation in Renewable Energy:** Navigating the legal landscape of green energy.

UKECi ACADEMY

2.2 EDUCATION CONSULTANCY

UKECI Academy presents **Qabuli,** a platform focused on student services, created to assist individuals seeking to study abroad.

Qabuli provides detailed help with university admissions, language institutes, and access to online specialised courses from accredited bodies. It also offers more than three thousand free online courses, demonstrating its dedication to education and accessibility. Additionally, UKECI Academy delivers personalised educational consulting, helping students choose appropriate educational institutions and plan their academic paths. This integrated approach guarantees that students receive knowledgeable guidance and strong support throughout their academic journey.

UKECI ACADEMY

2.3 ENGLISH LANGUAGE PROGRAMMES

UKECI Academy is pleased to provide innovative English Learning programmes, combining language skills with professional expertise in areas such as AI, Law, Business, and Healthcare.

Our courses, from summer programmes for young learners to exam preparation courses, are crafted to enhance English fluency and furnish you with the required industry-specific communication skills. Ideal for professionals, students, and inquisitive young minds, our programmes are designed to support your academic, professional, and global aspirations.

1 English for Artificial Intelligence and Technology:

Covers technical vocabulary, comprehension of research papers, report and presentation writing, and discussions on technological trends, ethics, and innovations.

2 English for Law:

Targeted at law students, legal professionals, and those interested in the legal field, focusing on legal terminology, understanding legal documents, client communication, and constructing arguments in English.

3 English for Business and Management:

Includes business vocabulary, writing emails and reports, presentation skills, negotiation language, and discussions on current business trends and case studies.

4 English for Healthcare Professionals:

For doctors, nurses, and healthcare workers, covering medical terminology, patient communication, and the reading and writing of medical reports, along with case study discussions.

5 Academic English for Students:

For those aiming to study in English-speaking countries or institutions, focusing on academic essay writing, text comprehension, and presentation and discussion skills for seminars.

6 English for Engineering:

Suits engineers and engineering students, with a focus on technical vocabulary, technical report writing and comprehension, project presentations, and discussions on modern engineering technologies and trends.

7 Summer English Programmes for Youth:

General or themed around interests like science, arts, sports, and technology, concentrating on vocabulary building, conversational skills, and cultural exchange activities.

8 English for Tourism and Hospitality:

For tourism and hospitality professionals, concentrating on customer service language, travel and accommodation information, and handling inquiries and complaints.

9 English for Media and Communication:

Ideal for those in journalism, digital media, and public relations, focusing on article and report writing, media text comprehension, and communication strategy development.

## 10 Preparatory English for International Exams:

Prepares students for exams like IELTS, TOEFL, or Cambridge English, with a focus on exam techniques, practice tests, and enhancing listening, speaking, reading, and writing skills.

DELIVERY METHODS

At UKECI Academy, we understand the importance of flexibility and accessibility in professional development. **To accommodate the diverse needs and circumstances of our clients,** we offer three distinct delivery methods for our training programs:

Face-to-Face in the UK:

Ideal for those who prefer learning in a traditional educational environment, our face-to-face sessions **in the UK provide** high-quality training directly from the source.

This option is particularly suited to executives and professionals seeking an immersive learning experience, offering direct interaction with our expert trainers and the opportunity to engage with peers in a dynamic classroom setting.

Face-to-Face in Saudi Arabia:

Understanding the logistical challenges of travelling abroad for training, we offer face-to-face training sessions **in Saudi Arabia.**

This method brings our expert trainers to your location, providing the same high-quality training without the need for extensive travel. It is an excellent option for organisations with multiple trainees or for individuals who prefer to receive training within their own country.

Distance Learning:

Using advanced conferencing technologies, our distance learning option provides live, interactive training sessions accessible **from any location.**

This approach aims to reduce costs without compromising instructional quality, making it an ideal option for individuals seeking a flexible and affordable training solution.

UKECi
ACADEMY

UKECI Academy has established connections with various universities to facilitate distance training, including:

- **Huddersfield University,** which offers several short training courses available through distance learning, including:

  - **Project Management Essentials:** Covers project management principles and practices, including planning, scheduling, budgeting, and risk management.
  - **Leadership and Management Skills:** Enhances leadership and management abilities, focusing on communication, motivation, delegation, and conflict resolution.
  - **Business Communication Skills:** Improves written and verbal communication skills, addressing grammar, punctuation, and writing style.

- **The University of Salford,** which provides several short training courses through distance learning, including:

  - **Customer Service Skills:** Develops skills and knowledge for excellent customer service, focusing on communication, problem-solving, and conflict resolution.
  - **Digital Marketing Essentials:** Introduces digital marketing principles and practices, covering search engine optimization (SEO), social media marketing, and content marketing.
  - **Human Resource Management:** Covers human resource management principles and practices, including recruitment, selection, training, and development.

UKECi
A C A D E M Y

- **University College London (UCL),** which offers a variety of short training courses available through distance learning, including:

  - **Data Analysis for Business:** Introduces data analysis principles and practices, covering data collection, cleaning, and analysis.
  - **Financial Modelling for Business:** Teaches financial modelling principles and practices, including financial statements, budgeting, and forecasting.
  - **Negotiation Skills:** Develops negotiation skills and knowledge, focusing on communication, persuasion, and conflict resolution.

UKECI Academy provides various delivery methods to ensure access to quality training that fits your needs and preferences. Whether you opt for the immersive experience of face-to-face learning or the flexibility of distance learning, we're committed to supporting your professional development and success.

WHY CHOOSE UKECI Academy?

Advancing your education and professional development with **UKECI Academy** leads to unmatched growth and success. **UKECI Academy** distinguishes itself as the prime choice for learners and organisations for the following reasons:

- **Industry-Relevant Content:** UKECI Academy focuses on providing content that is directly relevant to current industry needs, ensuring our programmes deliver the latest knowledge and skills. We work closely with experts and practitioners to keep our curriculum at the forefront of industry developments.

- **Experienced Instructors:** Our instructors are highly experienced professionals who are also passionate about teaching. They have been rigorously selected for their expertise and ability to engage and inspire students, with a commitment to their ongoing professional development.

- **Flexible Learning Options:** We offer various learning formats, including in-person, online, and blended classes, to accommodate different preferences and schedules. This ensures our education fits into your life without disruption.

- **Interactive Teaching Methods:** Our teaching methods are designed to engage students actively, using case studies, discussions, and practical exercises. This hands-on approach improves understanding and prepares students for practical challenges.
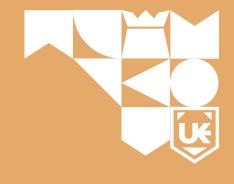

UKECi
ACADEMY

- **Commitment to Quality Assurance:** At UKECI Academy, quality is a continuous commitment. We consistently review and update our programmes, incorporating feedback to maintain high educational standards and ensure successful outcomes for our students.

- **Student Support and Success:** We provide comprehensive support services, including visa and accommodation assistance for international students, as well as personalised learning support, to ensure a smooth and rewarding educational experience.

- **Continuous Improvement:** Recognizing the fast pace of change, UKECI Academy is dedicated to continuously improving our programmes, and responding to industry and learner needs to keep you competitive.
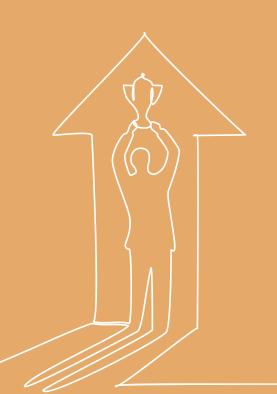

Choosing UKECI Academy is choosing a partner dedicated to your professional growth and success.

UKECi
ACADEMY

5

CLIENT
BENEFITS

Opting for UKECI Academy as your educational partner offers significant benefits that go beyond conventional learning. Our programmes are aimed not only at educating but also at empowering you, and enhancing your professional development. Here are the key advantages for our clients:

Empowerment & Skill Development:

Central to UKECI Academy's mission is empowering individuals through skill development. Our courses are designed to equip you with essential knowledge and skills for career success, including critical thinking, problem-solving, and specialised technical abilities, preparing you for today's dynamic work environments.

Organisational Growth:

Our training solutions also support the overall success and innovation of organisations. Enhancing team capabilities encourages a culture of continuous learning and improvement, driving growth and adaptability to global market changes.

Competitive Advantage:

Keeping pace with the fast-moving world is essential. UKECI Academy's programmes give individuals and organisations a competitive edge by offering access to the latest industry trends, technologies, and methods, crucial for staying relevant and improving performance.
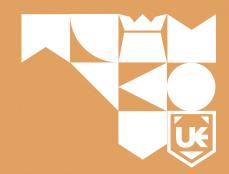

Career Advancement:

Our programmes focus on professional growth and career advancement, providing pathways to higher qualifications and the acquisition of sought-after skills. Whether aiming for a promotion, career change, or leadership role, our training solutions facilitate new opportunities.

UKECI Academy is dedicated to your success. Our all-inclusive approach to learning ensures you not only acquire the necessary knowledge and skills but also the confidence to apply them effectively, advancing your career and contributing to your organisation's success.

UKECi ACADEMY

6

METHODOLOGY
METHODOLOGY
METHODOLOGY

Our approach to creating customised training programmes is systematic and user-centric. We start by fully understanding your training needs, challenges, and objectives. This understanding is essential for designing a programme specifically suited to your requirements. We then create a curriculum that combines theoretical knowledge with practical application, making sure the content is educational, engaging, and relevant.

We provide various training delivery methods, including in-person and online interactive sessions, to suit different learning styles and schedules. Our emphasis is on delivering practical results, aiming to equip you with immediately applicable skills for tangible improvements. Our objective is to offer a personalised learning experience designed to help you achieve professional success.

6.1 COURSE BOOKS & CURRICULUM

- Coursebooks are reviewed and updated yearly to meet the needs of both learners and teachers. The academic management team ensures that teachers receive new course materials and participate in the selection process by attending meetings and providing feedback. This approach also incorporates student preferences and feedback on course materials and skills focus. MC Academy has established clear policies and procedures for reviewing resources.

- Many of our students prepare for the IELTS exam, so we maintain a robust IELTS programme that includes extra IELTS speaking clubs, self-study materials, and ongoing teacher training specifically for IELTS instruction.

UKECi
ACADEMY

6.2 OFFLINE STUDY

- In addition to offering high-quality courses, we support students in becoming independent learners with effective study skills. Our IT and self-study centre provides access to learning resources, including EAP and Academic Study Skills materials on our Virtual Learning Environment (VLE), with guidance on how to use these resources.

- We use the Zoom platform for live instruction, offering students an interactive experience with teachers. The self-study centre is available for homework and additional activities, and accessible to students 24/7. Administrators and supervisors also have access to the self-study centre.

6.3 OUR INSTRUCTORS

All our teachers are qualified and experienced in teaching English. They specialise in online teaching and have experience with students from various countries. We conduct regular teacher training and monitor teaching quality through specialist evaluations to ensure we provide the best learning experience.

UKECi
ACADEMY

6.4 QUALITY ASSURANCE

At UKECI Academy, we focus on providing high-quality training programmes and are committed to continuous improvement. We implement quality assurance and strict risk control measures to ensure our clients receive maximum value from our programmes. Here is an overview of our approach:

Robust Curriculum Development:
- Training programmes developed from the best industry practices and latest field advancements.
- Regular updates to ensure alignment with industry standards and technological progress.

Interactive Learning Environment:
- Emphasis on engagement, collaboration, and practical experience.
- Utilisation of feedback loops to refine the learning experience and address improvement areas.

Adherence to Industry Standards:
- Compliance with relevant industry standards and regulations.
- Content is aligned with international standards to ensure globally recognised knowledge and skills.

Experienced Instructors:
- Collaboration with experienced instructors known for their expertise.
- Ongoing professional development to stay updated with trends and methodologies.

Quality Assessment Mechanisms:
- Integration of assessments to monitor progress and achievement of learning objectives.
- Use of assessment feedback to continuously improve programme content and delivery.

Comprehensive Risk Assessment:
- Identification of potential challenges and development of mitigation strategies before programme launch.

UKECI ACADEMY

6.5 **RISK CONTROL MEASURES**

Secure Data Handling:

- Strict protocols for the protection of client data and privacy.

Collaboration with Accredited Institutions:
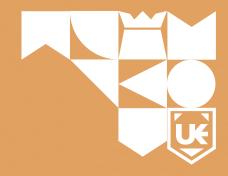

- Partnerships with accredited entities and industry experts to validate and elevate programme quality.

Emergency Preparedness:

- Establishment of robust emergency response plans to ensure participant safety during training.

Continuous Monitoring and Improvement:

- Ongoing evaluation of programme delivery and participant feedback.
- Implementation of immediate corrective actions and integration of lessons learned into future planning.

At UKECI Academy, our focus on quality assurance and risk control demonstrates our commitment to providing excellent and secure training experiences.

UKECI
ACADEMY

7

OPERATION & PROJECT PLAN

Our operation plan begins with a meeting with the client's director and decision-makers to review and initiate a streamlined and efficient programme. An overview of the student/trainee journey includes:

1

Student / Trainee Evaluation:
Upon arrival, students/trainees may take a reliable placement test to assess their overall language proficiency, determining their appropriate level or course based on the results.

2

Monitoring Student Progress:
Student progress is monitored through ongoing instructor assessments and formal tests. Exams are regularly updated, and promotions to the next level are based on academic and test performance. Students also complete Individual Learning Plans (ILPs) weekly to track progress, recognise achievements, set future goals, and encourage self-directed learning.

3

Feedback Collection:
Feedback from students/trainees is collected in three main ways:
a) After the first week to address any initial concerns.
b) At the course end.
c) Monthly, using anonymous online forms.
This feedback is reviewed in monthly management meetings to address key points and integrate them into action plans.

4

Supportive Service:
From the start to the end of their journey, students/trainees receive our full support, including visa assistance, accommodation help in the UK, and airport pickup arrangements if necessary.
