Dear Homeowner,

Hello! We are Elite Housing Management and are excited to have the opportunity to be your HOA management company! We would like to introduce ourselves and give you our contact information to answer any questions you may have for us.

What does Elite Housing Management do for my community?

We are here to help you in maintaining your community's safety, beauty and value. We facilitate the upkeep and maintenance of your common areas and amenities. Under the direction of the Board of Directors, we survey the community to ensure compliance with community policies and rules. We also handle all finances, taxes, and budgets for the Association.

We ask that you take the time to register for your homeowner's portal, where you can view your account, make payments, and access community information. This can be done on our website or through our free mobile app (AppFolio). You can also find your community's Covenants and Architectural Review Forms on the homeowner's portal.

Please send the below information back to our office via mail or email. If you have any questions, please reach out by phone or email. Our hours of operation are Monday- Thursday 7:30AM-5:00PM and Friday 7:30AM-11:30AM.

We look forward to working with your community. We are here to make YOUR PROPERTY, OUR PRIORITY! Please feel free to let us know if there is any way we can be of assistance.

Sincerely,

The Elite Housing Management Team
