

# Empowering Single Moms, Inc.

Dr. Crystal Edwards, founder

**Empowering Single Moms, Inc.** is a 501(c)(3) committed to educating, housing and restoring Single Mothers receiving federal assistance by conducting self-sufficiency training, conflict resolution and educational programs.

**Why Single Moms?** Single Mothers are nurturing our future generations. However, they are often misrepresented and maligned. These proud women need our support to achieve their personal goals and maximize their talents and potential.
