

# EASY LOGISTICS

Your Goods Transport Safely .

# Why Easy Logistics?

- ▶ The logistics and transportation sector in India is unorganized.
- ▶ Expecting compliance standards from drivers and truck owners is difficult.
- ▶ The transportation of goods carries a high risk factor.
- ▶ Risks involved in goods transportation include theft, vehicle accidents, expired GST-EWay bills, and more.

# What Easy Logistics Do ?

- ▶ Vehicle & Driver Verification System at Security Checkpoint
- ▶ Verification of Vehicle & Driver Documents
- ▶ Checklist for Goods Loading and Unloading
- ▶ E-Way Bill Expired Alerts and Auto-Extension
- ▶ Real-time Tracking of Goods During Transportation.

# Vehicle & Driver Online Verification

- ▶ Vehicle Owner , RC Book , Goods Tax , PUC , Permit, Insurance etc Detail
- ▶ Driver License , Mobile no, & Address Checking

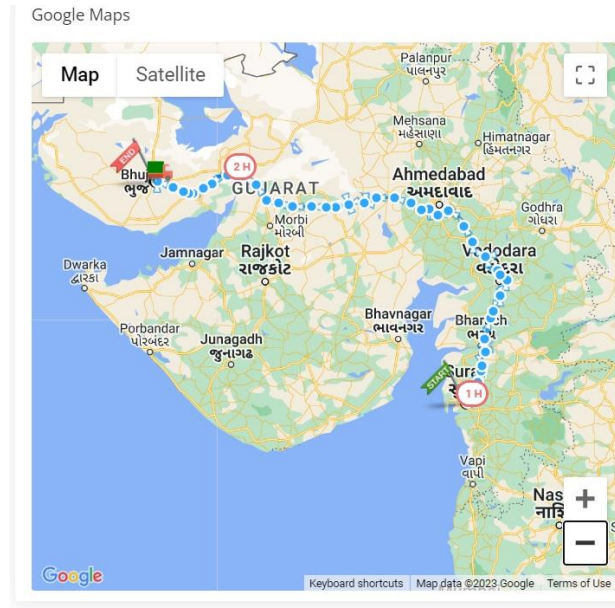

# Checklist Loading/Unloading

- ▶ Checklist for Truck and Driver During Loading /Unloading
- ▶ Document authorized
