

We are excited to announce our APRIL SCHOOL VACATION program!

We all want to get outside and celebrate this wonderful blue planet. Take a walk outside and find:

- A twig or small branch
- A pretty rock (see below)
- An acorn
- A pinecone
- Something green
- Something red
- A piece of trash
- Draw a picture of a Spring bird
- A piece of moss
- A leaf
- Pineneedles
- A piece of bark

Take the cool rock you found and make your mark on it. We would love messages of Kindness, Love and Peace.

Paint it or color it with markers, decorate it any way that you want and place it in our Library garden the next time you are in or around the Center of town.

Turn in this form with a picture of your nature treasures OR send a picture to mrsbaker@elkinspubliclibrary.org or sleclair@elkinspubliclibrary.org and get a cool prize!!
