A passionate brewer with an unquenchable thirst for beer and exploration--I take my audience on adventures around the world with beer along the way. I love highlighting must visit destinations, and hidden gems. I offer recommendations on everything from beer, food, events, scenic attractions, and style with a fun and unique twist. I'm also a huge advocate for DEI--I use my platform to educate, amplify, and encourage thought.

The lady and I are planning a visit to St. Pete - you did that. I've looked at your blog. Any can't miss spots. We're just going for a couple days.
