Dear Representatives at the Gift Opener LLC,

This letter is to express our gratitude for the partnership that is being formed between the Jobs for Veteran State Grant Program and the Gift Opener LLC. We are so excited to offer the 13-week training at the beginning of the 2024 year with Mrs. Nakisha Jolanda. The training being offered will defiantly add value to the Transitioning Service Members and Veterans to add to their toolbox for employment searching. As a veteran employment program, we are always seeking opportunities to provide or partner up with services that will add to helping our veterans on their employment searching journey. Any way that we can help this partnership grow to educate our veteran community, we are open too. We are absolutely looking forward to this partnership. If you had any questions about our program and services, please don't hesitate to reach out to me Tshambi Hall at (757) 968-3604 or tshambi.hall@vec.virginia.gov.

Warm Regards,

Tshambi A. Hall
