OUR PURPOSE

The River Friends of the Library is an all-volunteer non-profit organization working with the community to promote the Guerneville regional library to enhance its resources and services.

How do we raise money?

The majority of funds are raised by our book sales. We accept donations of used books throughout the year for our book sales. We have ongoing sales of books at our book shelves at the Guerneville Regional Library and our mobile book carts located at the Occidental and Forestville rural stations and at the Cazadero and Duncans Mills grocery stores. We charge a nominal price and provide a varied selection.

WHAT WE DO

- Provide Funds Directly to The Guerneville Library to Support Their Community Outreach
- Present Readers Theatre Programs Yearly with Community Involvement
- Hold A Yearly Young Writers Contest for the 5th Through 8th Graders in Our Community.
- Display A Variety of Local Art in The Library Forum Room
- Hold Informational Booths for The Library and Its Programs at Special Events in Our Community
- Hold Book and Bake Sales and Ongoing Sales of Books in the Library Forum Room and Our Book Carts at Various Locations.
- Offer A Coffee Cart for Library Patrons
- Maintain A Web Page with our Contact Information, Newsletter and Upcoming Events
