## Book Cleaning and Scanning Sessions in August

Hi everyone! We had a very successful two-day book sale this past July 24-25. Thank you again to everyone who volunteered!

Guerneville Library is starting to accept donations again so the boxes are starting to pile up. We need your help again (on a regular basis) for book cleaning and scanning. We can use the Library's Forum room so we should be comfortable. Nancy Sampson, the Branch Manager has set aside Monday afternoons from 2-5 p.m. for us. Here are the August dates:

Monday, August 9

Monday, August 15

Monday, August 22

Monday, August 29

We will be required to wear face masks inside the Library, but we will have access to both the kitchen and the bathroom. We will be sending out these emails once a month for the following month's dates. Please let us know if you can make it to one or more of these cleaning sessions.

## THANK YOU FOR VOLUNTEERING!
