

## River Friends of the Library Members' Update—May, 2020

So much time has passed since the Guerneville Library has closed due to shelter-in-place orders in Mid-March. The Board members of the River Friends of the Library wanted to update all the members on what's been going on since then. We hope you have all stayed safe and healthy!

First—your River Friends of the Library President, Bruce Robinson, has resigned. We wish him all the best and thank him for the tremendous job he has done as president for the past 10+ years. Bruce will remain a lifetime member of the River Friends of the Library and we hope to see him at a future library event when the library reopens and offers all its services again.

We also wanted to let you know that with the Sonoma County Library system completely closed we have been unable to accept any book donations. We will NOT be accepting book and other material donations for the foreseeable future. Library administration is working with our public health officer—Dr. Sundari Mase to come up with procedures for making returned materials safe for re-borrowing so until that happens no Library books can be returned and no donations can be accepted at any Library location. We appreciate your efforts to keep Library staff and River Friends volunteers safe by holding on to your books and other materials!

Your Board members have been communicating together to plan for how we can operate once we can all come together again. So know that we have not forgotten any of you!
