## VIEW FROM THE STACKS

Terry Gwiazdowski, President

Hello everyone! I am your new president and I will serve in this capacity until the end of April, 2021. I wholeheartedly thank Damien Olsen our Vice-President who stepped up when Bruce Robinson left earlier this year.

We are living in difficult times with so much economic and health issues this year due to the COVID-19 pandemic. But still, the River Friends of the Library has been active in support of Guerneville Regional Library. We are covering the costs of the curbside pickup bags and have included little gifts such as crayons for children and pens for adults in the bags. We sponsored a safe Halloween event which is detailed on page 3.

We continue to research the donated books from earlier this year and send some to our online vendor, Book Forest to sell. We continue the two book carts at Duncans Mills and Cazadero General Stores so both of these things bring in some funds.

We are looking into securing a rural grant to electrify our sorting shed, which we hope to accomplish in the next couple or months.

Sonoma County Library is no longer covering insurance for Friends' volunteers so we are in the process of getting insurance for our organization.

And while all of these efforts will make us a more safe and secure organization, we need your energy to keep it all going.

We thank you most heartily for your past help and present financial support. But now—even more we need your presence, your energy and your enthusiasm. Please see our Call to Action section for more information on how you can help.

**THANK YOU!**

### CALL TO ACTION!

## CALL TO ACTION FOR ALL MEMBERS!

In order to keep our organization vibrant and strong, we need committed and determined leadership. At the end of April, the terms for all our officers will end and we will be voting in new officers at our May annual meeting on May 13, 2021 at 4:30 p.m.

We need you, our esteemed members, to step up and serve in one of these leadership roles! These positions are: President, Vice President, Treasurer and Secretary.

The President is considered the manager of our organization and as such will need to be someone with knowledge of and contacts within our community and employ advocacy efforts on behalf of the River Friends of the Library. The Vice-President will work in conjunction with the President and will if necessary, step in to act as President.

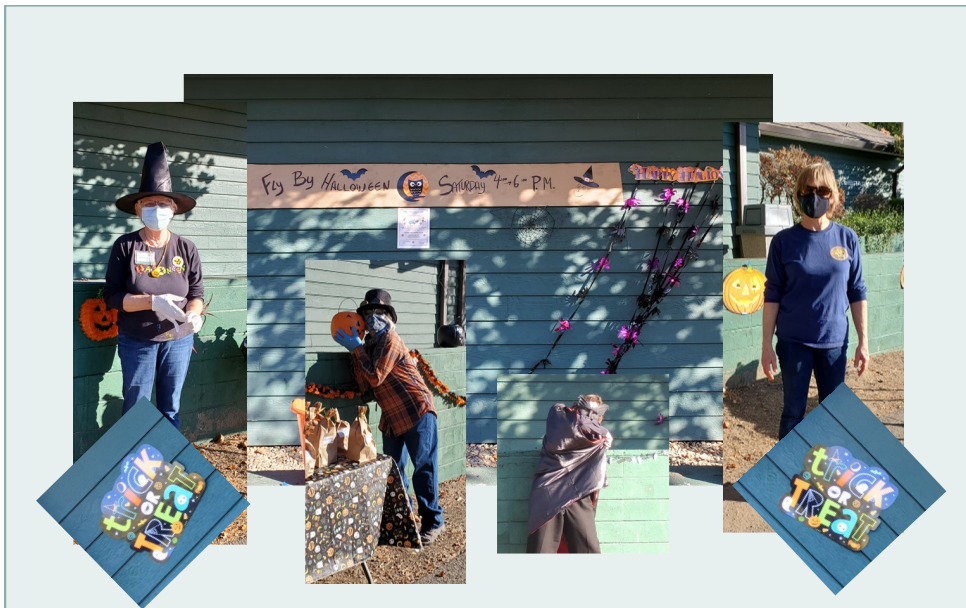

The Treasurer will keep and maintain our financial books and accounts and generate reports as needed or required by law.

The Secretary will keep minutes of all meetings, proceedings and actions of the Board. The Secretary will also notify the membership of meetings at least 72 hours prior.

Please make a commitment to your organization and to your Library community! You are needed more than ever! Thank you!

## HALLOWEEN “FLY BY” EVENT— OCTOBER 31

We had a blast getting ready for our Halloween event. Volunteers put together 250 bags of goodies for our “fly by” event.

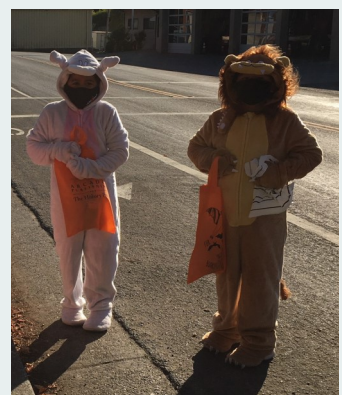

On the day of we gave out about 150 goodie bags to folks who drove through and who walked up. We had bags made especially for children under 3, children between 4-7, children between 8-12 and teens 13-18. Adults and parents were given pens or pencils and buttons.

Some of our 250 goodie bags!

A very fierce Momma T-Rex!

Our first trick or treaters!
