SPECIAL MESSAGE TO RIVER FRIENDS OF THE LIBRARY FROM BRUCE HORACE ROBINSON

As you know, the Covid-19 pandemic has had an impact on everyone around the world. The current medical evidence shows that I am highly susceptible to this very deadly virus due to my age, race, and the facts that I have high blood pressure and asthma. This dangerous situation has moved me to the realization that I must give my personal health and safety top priority. Also, I have been President of the River Friends of the Library since 2010 and before that I was Vice President. I have been a dedicated Friends volunteer in support of the Guerneville Regional Library for approximately 14 years. In July 2020 I will be 72 years old and I feel it is time for new leadership for the River Friends. Therefore, for all of these reasons, I am resigning from my position as President of the River Friends of the Library and all volunteer activities. I have also resigned from the Guerneville Regional Library Advisory Board, as Chair of the Friends and Foundation Presidents Council, and as an appointed member of the Measure Y Oversight Committee.

I want to thank all River Friends members for their hard work and support during the 10 years I have been President of the River Friends of the Library.
