The Guerneville Library Advisory Board (LAB) is looking for new members!

The purpose of the LAB is to provide information and make recommendations to the Library Commission and the Library Director on matters affecting library service based on input from their respective service areas. To apply to serve on a LAB, please submit a completed application (obtained online via the Sonoma County Library home page or from the Branch Manager) to your Regional Branch Manager via mail or email. Applicants are required to reside in the regional service area of the LAB. Guerneville LAB meetings are held bi-monthly and **the next meeting is Wednesday, July 10, 2019, at 7pm in the Forum Room.**
