WARRIOR SAFES

Model GS-303

Ammunition Safe ▼

Guns can defend you but who can protect the guns. Naturally, they should not be kept here and there like a child's toy. Gujrat Steel's Ammunition Safes are the best security for guns and ammunition. Ammunition Safes are ideal for security service firms or companies which have their own security systems.

Model GS-314

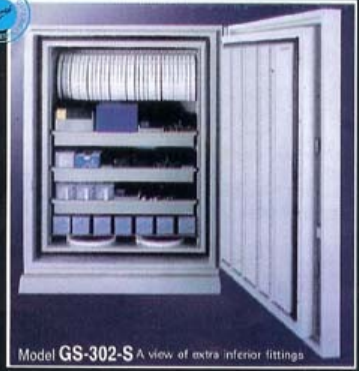

Bullet Safe ▲

A recent addition in Warrior Safe & Security Equipment which allows to deposit the cash during day & night from a distance simply by pushing the bullet through a duct which may run across the walls. Bullet Safes are ideal for establishments which operate round the clock such as petrol pumps, factories working in three shifts, 24-hour shops etc.
