

BEFORE I GO (2026) – Pete Laflamme (Lyrics & Chords)

[Verse 1] Intro: G, step up C, G, C, G, C, G, D

I spent years chasing tomorrows G

Thinking there'd always be more time C, G

Putting off the things that mattered G

Somewhere farther down the line D

Now the little things feel bigger C, D

Than they ever did before G, step to Em

And I'm finally learning what I'm living for C, Em

Before I go Am, D, G

[Chorus]

I wanna play my old guitar and hang out with my friends G, C, D, G

I wanna write that special song you know, the one that never ends G, Am, C, D

I don't need to ride a camel or jump head-first from a plane G, C, D, Em,

I just wanna be remembered C, G, Em

When someone says my name Am, D, G

[Verse 2]

I've heard someone say, "He who dies with the most toys wins". G, C, D, G

I bet that guy worked his ass off livin' a shallow life of pretend G, Am, D

I wouldn't be surprised if his life is full of things my eye's have never seen C, D, G, Em

And he'll probably wanna argue with Matthew 6:19 C, G, Am, D, G

Instr: G, C, D

[Final Verse]

It's a cruel kind of irony How the years can make us wise G, C, D, G

When we start to see life clearly We've got less road to ride Em, Am, C, D

But I don't wanna waste my time here C, D,

'Cause what's left I do not know G, step to Em

So I'll hug a little tighter Now before I go C, G, Em, Am, D, Em

So I'll hug a little tighter And love a little deeper C, G, Bm, Em, C,

And Pray a little longer C, G, Em,

Now Before I go Am, D, G

End: G, step up C, Am, D, G
