

# Berkshire County Head Start

## 2020-2021 Program Calendar

Below is an overview of what our virtual Head Start programs will look like. We want our teachers and students to continue to be actively engaged and interacting with one another and still be challenged to learn.

- ◆ Live interaction via camera within the classroom
- ◆ Confidentiality Policies to be signed by all families
- ◆ Recorded lessons that will be sent out to families
- ◆ We will utilize an app called *Ignite by Hatch* which will allow children at home and in the classroom the ability to play age-appropriate games that are linked to our GOLD assessment tool
- ◆ Easy to navigate app that each family will receive training on
- ◆ Families will receive virtual support from a Family Advocate.

*\*\*Please be mindful that these schedules could change due to developments in the COVID-19 pandemic.*

**This year's calendar theme is family diversity! Throughout the calendar you will find drawings our students created of their own family structure. One of the most important gifts we can give our children is to help them feel good about the uniqueness of their family and help them learn to accept, respect, and include people whom they may experience as "different."**
