

A division of Ark Marine

# Ark Marine Construction and Services, Inc.

Service-Disabled Veteran-Owned Small Business (SDVOSB & VOSB)

Licensed Builder & Marine Specialty Contractor | State of Florida

## Company Overview

Ark Marine Construction and Services, Inc. is a veteran-owned marine construction company delivering high-quality services for government, commercial, and residential clients throughout Florida. With decades of combined industry experience, we are committed to excellence, safety, and reliability in every project we undertake.

## Core Competencies

### **Dredging Services**

Mechanical dredging for navigation channels, marinas, and waterfront properties.

### **Seawall Construction & Repair**

Vinyl, concrete, and hybrid seawall systems for shoreline stabilization.

### **Pile Driving & Foundations**

Installation of timber, steel, and concrete piles for marine and waterfront structures.

### **Dock & Pier Construction**

Full-service design and construction of custom docks, piers, and walkways.

### **Boat Lift Installation & Repair**

Sales, installation, and servicing of boat and PWC lift systems.

### **Marine Structure Maintenance**

Preventive maintenance, emergency repairs, and structural inspections.
