Installation of Officers

On Monday May 20, 2019 our new officers will be installed. The event starts with a dinner at 6:00 PM, followed by the installation at 7:00 PM. The installation is open to all family members and friends. We encourage all of our members to attend and to bring their guests.

Welcome New Sir Knight's and Companions.

Thank you for becoming a member of the Phoenix York Rite Bodies we are all so happy you joined our organization. Here are some resources you may not be aware of:

Our website <http://phoenixyorkrite.org/> .

Facebook Page <https://www.facebook.com/phoenixyorkrite/>

- The website is being updated and will include uniform and other resources as well as a calendar of events.
- The Knight Cap after stated meetings. This is a time we come together to have a beverage and support one another. It is an experience that you will not get in any stated meeting. It allows us to learn, gain strength, and really appreciate all of the individual talents and wisdom our members have to offer.
- Never ever be afraid to ask question of any member or officer about any part of York Rite or Masonry in general. We literally have hundreds of years' experience between our members. It is our goal that we all work together to get you the answer or help you need.
- **We would appreciate it if you would let us know what the number one reason is you joined?** If you could respond via email or even a personal hand written note at a meeting to the secretary, it will help us create a great experience for you and our future members.

The Mason recognizes the value of human relationships and their role in world affairs. York Rite principles are a truth that will inspire men to continue to explore all avenues of Godly service; and in turn will enrich the lives of all people they come in contact with.

The Order of Ish Sodi

Congratulations to our members who received the Ish Sodi Award. Ish Sodi is the highest award that can be bestowed by the Grand Council of Cryptic Masons of Arizona. The award recognizes individual Companions for their devotion and service to Cryptic Masonry. The basic qualifications for membership are: **ARDOR** and **ZEAL** for Cryptic Masonry and **SERVICE** to the Cryptic Craft, above and beyond the call of duty. We look forward to seeing some of our new and older members receiving this award next year.
