

Workplace Health and Safety (WHS)

Workplace Health and Safety (WHS)

Employers have a responsibility to make the workplace safe by providing:

- a safe working environment
- safe ways of work
- safe plant and equipment (tools) for work
- provide information, training and supervision

Workplace bullying and harassment

- do not bully or sexually harass anyone
- report any harassment to your Coordinator

Your responsibility

- look after yourself
- attend WHS training
- wear correct clothing and footwear
- use equipment safely
- report damaged equipment
- follow emergency procedures
- report hazards, accidents, harassment
- lift people or things the right way
- follow good housekeeping

Home Care safety

- keep a safe work environment
- keep equipment safe
- inform Coordinator of any hazards
