

About Us

Kreative Kids was founded with a simple goal, to create a welcoming and engaging space where children can learn, grow, and truly enjoy being kids. Built on a passion for early childhood education, our program combines play-based learning with meaningful experiences that support social, emotional, and academic development.

At Kreative Kids, we focus on each child as an individual, helping them build confidence, creativity, and a love for learning. Families choose us because of our dedicated, experienced staff, engaging curriculum, and the strong sense of community that makes every child feel right at home.

Our Mission

Kreative Kids Early Childhood Program is dedicated to providing a nurturing and innovative learning environment for young minds. We believe in unlocking each child's unique potential, fostering creativity, and building a strong foundation for lifelong learning.

2 year old program

9:00am-11:00am

Tuesday and Thursday

Safe, Supported, and Learning Together.

A nurturing first school experience where children feel safe, capable, and proud of their accomplishments. Our goal is to ensure that each child leaves our two-year-old program prepared to enter preschool with confidence, curiosity, and joy.

A safe, supportive first school experience

Our two-year-old program is often a child's very first experience in a small group setting. In our nurturing, two-hour, two-day-a-week program, children begin learning how to be part of a group of friends while building confidence and independence.

We gently teach important early social skills such as taking turns, sharing, waiting, listening to stories, and participating in group activities. These foundational skills help children feel comfortable and successful in a learning environment.

Our program focuses on developing language, early literacy awareness, gross motor skills, and self-help skills in fun, hands-on ways. Children are introduced to crayons, glue, puzzles, books, and age-appropriate themes such as holidays, community helpers, and animals.

This program provides a smooth and supportive transition from home to school and serves as the perfect springboard into our three-year-old preschool program. A warm first school experience. A confident next step.

Program highlights Social Development

We intentionally teach and model foundational social skills, including:

- Taking turns
- Sharing materials
- Going first or last
- Waiting patiently

Listening during group story time
Playing alongside peers

Schedule & Transition to School

Our two-hour, two-day-a-week format offers the perfect balance of structure and support

Learning & Skill Development

Children are introduced to crayons, glue, puzzles, and books in fun, hands-on, developmentally appropriate ways.

Thematic Exploration

We explore engaging, age-appropriate themes such as:

- Holidays
- Community helpers
- Animals
- Seasonal topics

These themes help expand vocabulary and deepen children's understanding of the world around them.

Our dedicated Staff

At Kreative Kids, our highly experienced staff is dedicated to providing a safe, nurturing, and enriching environment for every child. All team members are trained in CPR and First Aid, ensuring your child's safety is always our top priority. We are also proud to be part of QUALITYstarsNY, New York State's Quality Rating & Improvement System for Early childhood programs. By partnering with QUALITYstarsNY, we are committed to continually strengthening and improving our program to provide the highest quality early learning experience for your family.

Our staff have years of experience in Early Childhood Education. Our teachers work closely with families to ensure that each child's individual needs are met and that they receive the support and guidance they need to develop to their full potential.
