

About Us

Kreative Kids was founded with a simple goal, to create a welcoming and engaging space where children can learn, grow, and truly enjoy being kids. Built on a passion for early childhood education, our program combines play-based learning with meaningful experiences that support social, emotional, and academic development. At Kreative Kids, we focus on each child as an individual, helping them build confidence, creativity, and a love for learning. Families choose us because of our dedicated, experienced staff, engaging curriculum, and the strong sense of community that makes every child feel right at home.

Our Mission

Kreative Kids Early Childhood Program is dedicated to providing a nurturing and innovative learning environment for young minds. We believe in unlocking each child's unique potential, fostering creativity, and building a strong foundation for lifelong learning.

Creating long lasting friendships

In Pre-K 3, we focus on helping children learn what it means to be kind, respectful, and a good friend. Through everyday interactions, guided play, and group activities, children practice sharing, taking turns, and using kind words. These early social experiences help build meaningful connections, allowing friendships to grow and strengthen over time.

Early learning in Preschool

Early learning in preschool plays a vital role in building a strong foundation for a child's future success. During these early years, children develop essential skills in language, social interaction, problem-solving, and independence. A high-quality preschool program fosters curiosity, confidence, and a love for learning through hands-on experiences and meaningful play. By strengthening these core skills early on, children are better prepared for kindergarten and beyond, setting the stage for lifelong growth and achievement.

First Steps in Learning

Our Pre-K 3 students are introduced to letters and sounds, often for the very first time, building a strong foundation for early literacy.

Growing Independence

We encourage children to develop confidence by practicing self-help skills, making choices, and learning classroom routines.

Fine Motor Development

Through hands-on activities like tracing, coloring, and sensory play, children strengthen the muscles needed for early writing.

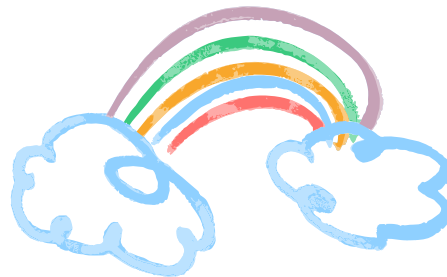

Active Play Every Day

Our program includes both indoor and outdoor gross motor play to support coordination, movement, and overall physical development.

Fun & Engaging Themes

From special themed days to exciting activities, we make learning fun, memorable, and meaningful for every child.

Kreative Kids
EARLY CHILDHOOD PROGRAM

Our dedicated Staff

At Kreative Kids, our highly experienced staff is dedicated to providing a safe, nurturing, and enriching environment for every child. All team members are trained in CPR and First Aid, ensuring your child's safety is always our top priority. We are also proud to be part of QUALITYstarsNY, New York State's Quality Rating & Improvement System for Early childhood programs. By partnering with QUALITYstarsNY, we are committed to continually strengthening and improving our program to provide the highest quality early learning experience for your family.

Our staff have years of experience in Early Childhood Education. Our teachers work closely with families to ensure that each child's individual needs are met and that they receive the support and guidance they need to develop to their full potential.
