How to write a good speech for school house captain

What to write in a school captain speech. How to write a good speech for school captain. What to put in a speech for school captain.

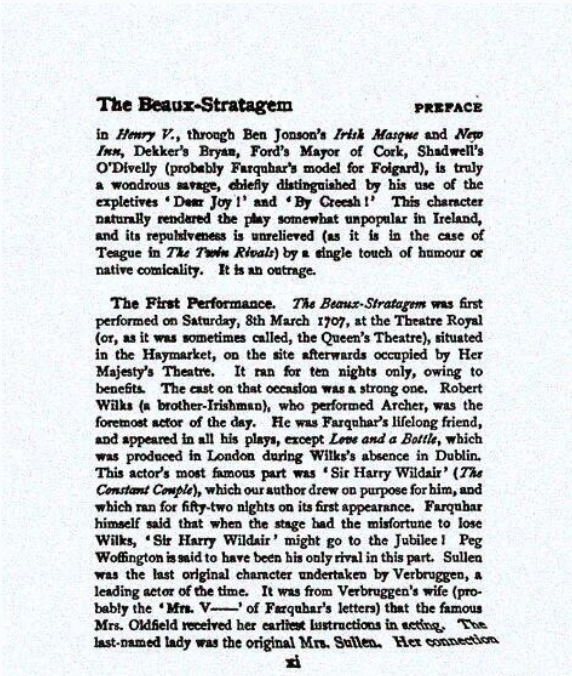

100%(1)100% found this document useful (1 vote)516 views1 pageSaveSave Speech For House Captain For Later Being a House Captain is an exciting role. You get to lead and inspire your team towards victory. It's not just about winning, but also about teamwork and responsibility.Remember, as a House Captain, it's your job to make everyone feel included. You'll need to show good sportsmanship, whether you're on the winning or losing side.1-minute Speech on House CaptainLadies and gentlemen, boys and girls, today I will talk about a very crucial role that every school has – the House Captain.Being a House Captain is not just about wearing a special badge or standing out in the crowd. It means taking responsibility for your team. It means being a leader, a friend, and a guide to your team members. It is about being ready to help, listen, and solve problems.House Captains are leaders who must show the way for others. They need to be confident, brave, and understanding. They should be ready to lose sleep and comfort to ensure their team is successful. They should know how to motivate their team, especially when things are not going well.The role of a House Captain also involves being fair and just. You need to treat everyone equally, no matter who they are. This fairness helps create a sense of unity and togetherness in the team. It also makes every team member feel important and valued.Finally, a House Captain should also be an example of good behavior and discipline. They should follow the rules and ensure that their team members do the same. They should lead by example, showing others how to behave and act in different situations.In conclusion, being a House Captain is about making a difference. It is about leaving a mark, not just in the school, but in the hearts of your team members. Remember, being a House Captain is not about power, it is about service.

It's not about ruling, it's about leading.Thank you.2-minute Speech on House CaptainGood day to one and all! Today, I stand before you to talk about a very important role in our school – the House Captain.Let's begin by understanding what a House Captain is. This is a student chosen by both teachers and fellow students to lead a house in our school. People place their trust in you and believe that you can lead them. It's like being the captain of a ship, steering it through calm and stormy waters.Now, why is the role of a House Captain so important?The House Captain is the connecting bridge between students and teachers in a house. They are the voice of the students, sharing their needs and ideas with the teachers. They also inspire students to participate in activities and competitions, fostering a sense of unity and team spirit.But what does it take to be a House Captain? It's not just about being popular or good at sports. It's about being responsible and respectful. It's about leading by example, showing kindness, and being a good listener. It requires patience, the ability to make decisions, and most importantly, the courage to stand up for what is right.Let's talk about the responsibilities of a House Captain. They organize house meetings, represent their house in school events, and encourage their team members to perform their best. They take care of their house members, ensure everyone feels included, and resolve any issues that arise. In essence, they create a healthy environment where everyone can grow and learn.The beauty of being a House Captain lies in the opportunity it presents.

Why I Want To Be A Captain

"I want to be a captain when I grow up because it's a funny job and easy to do. Captains don't need much school education, they just have to learn numbers so they can read the instruments. I guess they should be able to read maps so they don't get lost.

"Captains have to be brave so they won't be scared if it's foggy and they can't see, or if the propeller falls off they should stay calm so they will know what to do. Captains have to have eyes to see through the clouds and they can't be afraid of thunder or lightning because they are closer to them than we are. The salary that captains make is another thing I like. They make more money than they can spend. This is because most people think that captaining a ship is dangerous – except captains, because they know how easy it is.

"There isn't much I don't like, except girls like captains and all the girls want to marry captains, so they always have to chase them away so they won't bother them. I hope I don't get seasick, because I get carsick and if I get seasick I could not be a captain and then I would have to go out to work."

You'll need to show good sportsmanship, whether you're on the winning or losing side.1-minute Speech on House CaptainLadies and gentlemen, boys and girls, today I will talk about a very crucial role that every school has – the House Captain.Being a House Captain is not just about wearing a special badge or standing out in the crowd. All of our children are given a house and amongst other things they earn house points for good behaviour, hard work and politeness. These house points are counted up weekly and the house with the most points at the end of the term wins the house treat.Each house has a house captain and vice house captain who encourage the children around school to be polite, behave well and work hard, to gain as many house points as possible for their house. They are also good role models.You can find the current house point totals under the 'Pupils' section.On Thursday 16th September our House Captains and Vice House Captains were chosen. Each potential candidate shared their speech with the children in their house, and they then voted for who they would like to represent them. All members of staff were very impressed with the quality of the candidates speeches.House Captain – Isabelle"Hi Everyone. My name is Isabelle and I hope that you will vote for me as the captain of Spruce. I am not a perfect pupil (I've sometimes had a hard time at school) but I do care about our education and I feel like I'm a real honest example of what Forest View pupils are. We are ambitious, positive, creative, kind and hopeful. The past 18 months have been crazy for us all but we have had the support of our great school, parents and carers and got through it together.If you vote for me as your captain I would like to give you something back in return. I will make you a promise that I will be there for you. I am a great listener, a good friend and anything I can help you with I will give you my all. I have already started to think about new ideas that will benefit us. We could have a huge suggestion tree where any pupil from any house could write their thoughts or ideas on a leaf and place it on the tree.This would benefit all house captains and staff as it would be a great place if you didn't want to speak to someone directly, because sometimes it's hard to talk. I would love this opportunity and I promise if I voted your House Captain to strive and make Spruce House the best!"Vice House Captain – Amy"Hello, I'm Amy and I am in Year 6. I'd like to be House Captain because I believe I am an approachable person to come to and I will do my best to help others in any way I can. Also I will listen and take ideas on board."House Captain – Grace"My name is Grace and would really like to run for House Captain of Cherry House. Let me tell you a bit about myself first. I am 10 and I am in Year 6. My favourite hobbies are swimming and football. I'm kind, happy and respectful. I use manners when needed and I like making people's day much better and making them smile. I hope that I become your House Captain as you would get to know me a lot better. I have always been inspired by other House Captains. This is my first and last chance to be House Captain. I will definitely try my hardest to help everyone, whether they are feeling lonely, happy, sad, angry or annoyed. I would love to help others attempt to reach their goals.I would also like to help our school community even more. I have a great attitude towards our school. During morning break and lunch I will make sure that everyone has someone to play with even if they are not in my house group. I will try my hardest to encourage everyone in my house to get as many house points as possible.Thank you for listening."Vice House Captain – Daisy"You should vote for me because I like to help people and put a smile on their faces and also do what is best for our house group."House Captain – Ethan"Hi. I'm Ethan. You should vote for me because I want Redwood to be the best and get the most house points. So try your best and try to help other students, teachers or just say please and thank you."Vice House Captain – Layla"Hi. My name is Layla. I would love to be your vice captain because I will cheer you on for sports day. I will be a good role model for you and most of all I will cheer you up if you're feeling down. So please vote for me. Thank you."House Captain – Robbie"Hi! My name is Robbie. You might remember me from last week but you won't remember my friend Ted! He thinks that you should vote for him and me because we are not only going to earn lots of house points but we will accept everyone for who they really are! But even if I don't become captain you can come to me at any time and ask me anything. Thank you everyone for listening and remember with me as your captain we can lead this team to victory!"Vice House Captain – Holly"I'm Holly and I think you should vote for me because I want to inspire everyone to do their best. Even though there is young people, they can achieve things and help out as much as we do. I try my best to earn house points for our house. I'm hoping for us to go on a trip and have fun!"House Captain – Hallie"Hi my name is Hallie. I would like to be House Captain or Vice Captain of Maple to help people when they are struggling and when someone is lonely or sad on the yard I would ask them if they want to play with me and my friends. If you want to get house points you just have to help people, hold the door open and do jobs. Do your homework, work hard in your class and read your book at home and at school."Vice House Captain – Josey"Hi! I'm Josey. I like sport and you should vote for me because I will hopefully be a good role model to you and I have helped Maple win a house treat before. I have been with Maple since Reception and want them to win and help people to win a house treat. Especially for the little ones. Sincerely Josey."By default cookies are switched off for this site. You can enable them by clicking the green button.By not enabling cookies some features of the site may not be visible to you. For example, facebook feeds, Google maps and embedded YouTube videos.Our cookie policy pageHouse Teams and CaptainsThere are four Sports Day houses here at Parafield Gardens Primary School. They are; Barker (Green), Sturt (Blue), Flinders (Red) and Eyre (Yellow). On Sports Day the four houses compete against each other to see which house can earn the most points and become champions. Houses earn points from doing their team chants, tabloid events and championship sprints. Each house has two captains and two vice-captains. The role of these captains includes; writing and presenting a speech detailing their leadership skills, organising and leading the team chants, assisting PE teachers with their organisation for the day and providing leadership to junior primary students in the championship sprints. The winning captains also present a speech to the school at the end of Sports Day. Writing and delivering a winning speech for a school leadership role requires planning, a sense of purpose and practice. No matter whether you are hoping to be picked for school captain, school president or class president, you need to convince others that you really, really want the job for all the right reasons. Make your speech less about you and more about what you can do to serve others and make a difference. What Is a School Captain? A school or class captain in the British school system is like a school or class president in the American school system. Despite different titles, the roles are similar. The purpose of a student leadership position is to act as a positive role model, encourage school spirit and embody school beliefs and values. A school captain is a go-between for teachers and students to represent the student voice and to ensure excellent two-way communication. School Captain Responsibilities Duties vary somewhat by school, but typically, assignments include bringing forward student concerns to the administration to advocate for positive change, such as healthier food options on the school menu and in vending machines. Student leaders may head a committee to plan student activities that will build a sense of community. Other tasks may include giving tours of the school to visitors and greeting parents who are attending functions. Serious School Captain Speeches Before launching your campaign or drafting your speech, interview a cross section of your classmates to find out what they like about the school and what improvements they hope to see in the upcoming year. Develop a consistent message in your campaign materials and speech that identifies your goals based on an assessment of student needs. Do not fall into the trap of making grandiose promises just to be chosen by administration or voted into office. The tone of your speech should be upbeat, positive and high energy to hold your listeners' attention. Humorous Class Captain Speech If you are witty, outgoing and considered the class clown, you may want to inject humor into your speech. A funny but teacher-approved story will show your likable and relatable side. For instance, you may want to share that you were cast as a juggler in the school play when making the point that you are experienced at juggling multiple tasks. However, do not go overboard with humor, or you run the risk of not being seen as a serious contender who will work hard. Prepare Your Speech Speeches are like English essays, with a strong beginning, middle and end. Keep in mind how much time you will be allotted because you may be cut off if you exceed the time limit. Outline your speech with main points and then write out your speech to avoid stumbling on your words or rambling. Start with an introduction that includes your name, year in school and the reasons you are highly qualified to serve as school captain. List specific examples of your prior accomplishments in extracurricular activities and student organizations. Mention that you are a visionary student who believes every student should feel welcome and supported at the school. In the body of your speech, identify two or three goals or issues you would like to address if selected for the position. Emphasize your leadership qualities. For instance, you might state that other students and teachers would describe you as outgoing, approachable, dedicated and responsible. End with an action statement summarizing what you hope to accomplish and directly ask for their vote or support. Show a draft of your speech to a favorite teacher and ask for feedback. Practice Your Speech Stand in front of a mirror at home and practice your speech or enlist your family as an audience. You should sound eager and excited to represent and serve fellow students. Smile, maintain good eye contact and use gestures intentionally. Speak clearly and articulate your words. Pretend you are confident even if you are shaking and super nervous. That is perfectly normal and does not mean you are not leadership material.
