

Filmed in Peru is returning for its third edition this April in both New York and Miami. We just posted our 2025 schedule and you [can see it right now.](#)

We are offering **\$5.00 off all New York tickets** to our previous ticket holders between now and Friday, February 14th.. Just use the promo code **EARLYBIRD** when checking out at filmedinperu.com.

We have a great mix of 20 Peruvian movies over a six day period in New York starting April 13th. This includes 3 International premieres, dramas, comedies, documentaries, shorts and animations. Plus once again we will have lots of Peruvian food, drinks and entertainment.

We have the largest lineup ever of [visiting Peruvian filmmakers](#). Ten have confirmed so far. It's a great way to meet the directors and stars of the films you are watching.

All of the films are subtitled in English and these films have either never been shown in the USA or have had very limited exposure.

We are showing films in Long Island this year and returning to Manhattan to both the Village East Cinema and the King Juan Carlos Center. [\(See the venues.\)](#)

We'll be in Miami on April 10th with a great lineup of Peruvian films as part of the Miami Film Festival. (Those details will be announced in March.)

Get your tickets this week and **save \$5.00 per ticket** at FilmedInPeru.com. The offer is only good through Friday. The promo code **EARLYBIRD** is in all caps. There is no limit to the number of tickets you can buy with this code.

We are excited to see you in April.
