By signing below, I hereby certify that the information provided is complete and accurate. I understand that payment of the application fee does not guarantee issuance of a permit. I further acknowledge that I am the property owner or am acting as an authorized agent on behalf of the property owner. If a permit is issued as a result of this application, it will be considered property of the property owner. The services of a backhoe or excavator or greater is necessary for soils evaluation for new construction projects. I understand I am responsible for coordinating and providing the equipment and operator or other additional testing. **All services require marking by MISS Dig for underground utilities prior to site visit.** Persons performing groundbreaking activities on site are required to submit a ticket to MISS Dig for the marking of the property. Please allow MISS Dig personnel access to your property to mark utilities. Unmarked properties will result in delay or postponement of service. Failure to show up for an appointment may result in a \$75 charge. Application fees are non-refundable after 90 days from the date of application or after initiation of any field activities/services. A \$50 processing fee applies to all applications cancelled prior to field work.
