

Mini Chefs

Developing fine motor skills, life skills and social skills, whilst creating yummy and nutritious, culinary treats.

Group Program

Who?

This group is designed for primary school aged children who enjoy cooking. The group will support your child with further developing their fine motor skills, problem solving skills and ability to follow multistep instructions via fun cooking based activities. Your child will work with similar aged children to create yummy culinary delights.

What to expect

- Learning life skills as food hygiene and kitchen safety.
- Enhancing fine motor skills via using cooking equipment and utensils.
- Learning basic cooking skills and meal prep.
- Working with similar aged peers to develop light meals.
- Developing social confidence and enhancing social skills.
