Little Creators Craft Club

Developing creativity, self-expression, and problem solving through art based play.

Group Program

Who?

Little creators is a group designed for pre-school aged children to encourage creative thinking, problem solving and fine motor skills, via art and craft activities. Group participants will learn new skills, develop confidence and independence with problem solving and following instructions, whilst socialising with similar aged peers. Children will enjoy creating their own unique structures by painting, drawing, beading and cooking.

What to expect

- Improving fine motor skills.
- Building social communication skills.
- Developing creativitiy and imagination.
- Enhancing problem solving and critical thinking.
- Improving concentration and following instructions.
- Enhancing social play skills via teamwork.

Note: Participants new to Playology require an individual intake session to ensure the group is a good fit.
