

The Build Lab

Build. Create. Connect.

An after-school LEGO®-based therapy group

Group Program

The Build Lab is an after-school, LEGO®-based therapy group for primary school-aged children. Through collaborative building challenges, children will practise communication, teamwork, flexible thinking, problem-solving and navigating social interactions while doing something they enjoy.

What to expect

- Collaborative building challenges.
- Practising teamwork and communication.
- Flexible thinking and problem-solving.
- Navigating social interactions.
- Creating, experimenting and having fun.

To enrol your child in this group program please click on the QR code below and complete the enrolment form

Note: Participants new to Playology require an individual intake session to ensure the group is a good fit.

When: Tuesdays, weekly starting 13th October
Time: 4pm to 5pm
Where? Playology, Unit 3 Gym
Cost? \$75 per session (NDIS funding may be used)
