Mindbusters

A fun and creative social group, full of brain-busting puzzles, quick witted games and mind-blowing challenges

Group Program

Who?

This group is designed for late primary and early secondary school aged children who enjoy board games, puzzles and brain teasers. Children will explore age-approiate puzzles, logical games and problem solving activities, to extend their thinking, creativity and challenge themselves, whilst having fun and building friendships, with peers. This group will develop valuable life skills whilst growing your child's self-confidence.

What to expect

- Improving problem solving, flexible thinking and logic through team based activities.
- Enhancing self-confidence and resilience.
- Engaging in team based activities and working collaboratively, within a team.
- Building social confidence and friendship skills.

To enrol your child in this group program please click on the QR code below and complete the enrolment form

Note: Participants new to Playology require an individual intake session to ensure the group is a good fit.

When: 28/09 - 29/09
