

Dear Friend,

It gives us great pleasure to share the exciting things happening at Ss. Peter and Paul in Lehighton. Our parish offers several services and activities throughout the Liturgical year:

- Eucharistic Adoration every Thursday
- Frequent Confession times
- Periodic faith formation groups
- The St. Vincent de Paul Society actively serves our local homeless population
- The St. Monica Ministry offers hope and support to families and friends of fallen-away Catholics.
- Families come together to celebrate Our Lady of Guadalupe every December with a Mass and Fiesta.
- Knights of Columbus Damien Council #598 meets on a monthly basis.
- Parishioners share their gifts of music, service at the altar, and to the hospitalized

Whether you are an active or non-active parishioner, we welcome your insight on all aspects of our parish community- spiritual engagement, parish council, participation in the many fun- and fundraising events: fish fries, Christmas Bazaar, and the summer Backyard Bash. Our Catholic Youth Organization (CYO) continues to flourish with athletic and cultural events, such as a new art class for our kids. Parish religious education (PREP) imparts Catholic faith and culture to our young parishioners, the Church's future-and present!

We humbly ask for your prayers as we continue to offer something to everyone that will not only grow our parish congregation, but sustain a welcoming and holy environment. We ask that you reflect and pray upon your own individual responsibility to the faith, because each one of us makes Ss. Peter and Paul continue to thrive.

We would appreciate your responses to a few survey questions that are organized by age category. Please complete the survey for your age group and return to Ss. Peter and Paul % Norine Onichimowski in person, Sunday collection or email to sspp@ptd.net. Your input is valued for the continued growth of our wonderful parish.

Yours in Christ,

Gloria Bowman
Collette Kresge
Karen Paukovits
