

"Jello Party"

9/4/25

Berry- likes jello

Cherry- also likes jello

Terry- needs this potluck to go well

BERRY

Hey guys! Thanks for helping set up the company potluck,
what'd you guys bring?

CHERRY

Oh, I brought this cherry flavored jello.

TERRY

I.. also brought jello. That might be a problem. This thing
starts in 20 minutes. What about you?

BERRY

I have this dome shaped jello.

TERRY

Did anyone bring anything else?

CHERRY

Oh I have something! Behold: lemon-lime flavored jello!

BERRY

I have this jello shaped like a cylinder if you need it

TERRY

I'm thinking more like, you know, actual food.

CHERRY

I have this really unique jello! It has shrimp in it!

Jello Party 2

BERRY

No way! I brought one shaped like a shrimp!

CHERRY

Look at us, we're so creative!

TERRY

I really should have been more clear about what we needed.

CHERRY

Why? Did we need more jello?

TERRY

No!

CHERRY

Oh, that's too bad. I have a jello made from spaghetti and garlic bread

BERRY

Yeah, that is unfortunate. Cause I have this jello shaped like the hanging gardens of Babylon

TERRY

Why are there overly detailed llamasu
(pronounced lah-mah-soo)
on it? How'd you find that mold?

CHERRY

Speaking of, I have mold flavored jello

TERRY

Cherry, we work at the FDA!

BERRY

Of course! I have this life sized jello of the CEO! That'll work great!

TERRY

Oh my God we're going to get fired.

CHERRY

Do you need this flaming cocktail jello for when that happens? (the jello is very much on fire)

TERRY

STOP! (they grab a fire extinguisher)

BERRY

This fire extinguisher shaped jello might help.

CHERRY

Wait, we're not actually getting fired are we?

TERRY

At this rate we might!

BERRY

Oh, that's awful and bad.

TERRY

What am I going to do! I'M A GOOD PERSON! I can't lose my job!

CHERRY

Me neither! I spent so much money making all this jello!

BERRY

...Do you need this federal credit union shaped jello?
