March 15 to 30
Your voice matters.

People Pulse is **open March 15 through 30** and provides you an important opportunity to share your experiences.

We encourage all eligible employees to take the survey. It takes about 10 minutes to complete.

Look for an **email Wednesday, March 15, from Glint**, our survey administrator, asking you to complete the confidential survey. You can access the survey from the Glint survey invite or at kp.org/peoplelistening.

Scan the QR code with your cellphone camera to access People Pulse beginning March 15.

Note: Employees who were hired on or before November 30, 2022, are eligible for the March survey as long as their status was not listed as being on leave in HRconnect on February 28, 2023.

Good afternoon

A reminder that physicians and employees working in the departments listed below in the Riverside Service Area are due to complete their Annual TB Health Screening in **March 2023**.

Physicians and employees who are due for TB screening in March will receive an email with instructions on how to access ReadySet and complete the surveys (questionnaires). This should be done prior to coming to Employee Health. Please have them check their KP email for the notification letter (see attached letter). If they did not receive an email or are missing the surveys, please have them contact Employee Health by phone 951-602-4356, or email RivEHSStaff@kp.org.

For TB placement and read done outside of Employee Health, please use the **“Read Elsewhere TB Form”** and upload it to ReadySet once completed. They must still complete the TB surveys in ReadySet. The “Read Elsewhere TB Form” can be found in the EHS SharePoint under the TB tab. Link to SharePoint here [KPRiversideEmployeeHealthServices - Home](#). It is also attached to this email for your convenience.

FIT Testing or PAPR Training: Physicians and employees who fall under clinical departments AND physicians and employees in non-clinical departments but are patient-facing will need to complete FIT testing as part of their EHS annual health requirements. They have to complete the “OSHA Respirator” survey in ReadySet. They must select **“Other reason”** to the survey question #1 if they are completing this survey for the first time.

For additional information and resources, please go to the Riverside EHS SharePoint [KPRiversideEmployeeHealthServices - Home](#)

Thank you.

Subject: Personnel Announcement - Bassam Koussa
Date: Monday, February 27, 2023 3:02:08 PM

It is with mixed emotions that I announce Bassam Koussa is transitioning out of his role as Assistant Department Administrator for Iris MOB 2. He will be transferring to Panorama City as the Assistant Department Administrator for the Gastroenterology Department. His last day with us is on Wednesday, March 1st.

Bassam worked at the Iris MOB for almost three years and was instrumental during the COVID pandemic with the implementation of rapidly changing workflows. I would like to thank Bassam for his contributions and wish him the best of luck in his new position.

For all future communications please reach out to the Iris MOB leadership team:
