I _____, hereby request a Pulsed Electromagnetic Field (PEMF) session. I understand that the PEMF creates a fully adjustable pulsed magnetic field. I understand that the information shared by the demonstrator are his/her personal opinions and are intended for educational purposes only.

Product Disclaimer

The Pulse System produces magnetic field energy, which passes freely through tissue for the purpose of cellular exercise to promote and support a sense of wellbeing. The FDA has not evaluated the PEMF. It is not intended for the diagnosis, treatment or cure of any medical condition. The PEMF is not a medical device and we cannot make any claims that we can affect medical conditions.

We understand this general statement regarding pulsing magnetic fields to be accurate:

“PEMF (pulsed electromagnetic field) devices do not treat a specific condition. Instead they optimize the body’s natural self-healing and self-regulating function”.
