

## Energetic Business Card Instructions

## Safety First

When transporting these cards, or when not in use, please keep them, and any extra sets of cards, stored in a paper envelope, two cards per envelope with the magnetic sides back to back..Mirrored image.

**DO NOT** use these cards on the body of:

- A person with electronic heart equipment, such as a heart monitor, a pacemaker etc.
- Children age 8, or under. Take extra care of any exposure to the head area of children.
- Keep out of reach of young children.
- Expectant mothers. Take extra care of any exposure to the fetal area of expectant mothers.

### 1) For Best Results

As with all energetic tools, pray                      Thy will be done

ie: Heavenly Father, Thank You for this/these tool/tools, please bless them to all that reside in this dwelling.

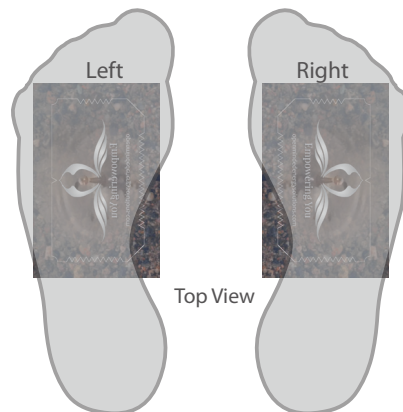

## 2) In Your Environment

- Affix one card on your electrical panel cover, near the main breaker end
- Affix the other card, high on the upper portion of your refrigerator, preferably with a 6-inch clearance of space in front of the card. (Other options: Microwave, Range Hood.)

### 3) Grounding/Earthing

- Place 2 cards on the floor
- Printed side up
- Wings together
- Place your feet on them

Wait and see how it feels.

Once you have experienced  
this tool, we would appreciate  
your feedback.

*We invite you to submit an  
Energetic Business Card review  
of your experience.*

*You will find the review button on the home page of our website, and on the Energetic Business Card page as well.*

*Permission to publish is assumed.*
