June 2025

Volume 7 Issue 6

What's Happening?

We made it through another school year and are excited for summer. We want to congratulate all of our Pre-K graduates on completing preschool and moving onto Kindergarten. We wish them all the best of luck and parents don't blink because the school years will go by so fast!

We have a fun and busy summer planned. Make sure to check out each month's calendar so

that your child doesn't miss anything. Also, please make sure that you check out the summer policies listed in this newsletter in regards to dress code.

If your child will not be attending for a day or if they will be in late please notify the office by 9am each morning of what time they will be here. Also, if you are taking a vacation make sure to write it down on the Parent

Communication clipboard that can be found next to the check in station.

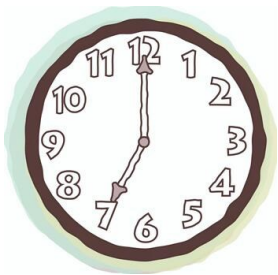

This past month we did a couple of remodels that you may have noticed. We now have a dishwasher in the Owl classroom that allows for smoother transitions at lunch time and the Butterfly class has a new prep area with a sink.

We are looking forward to a fun and exciting summer.

Happy Summer!
