Past Events/Activities

- National Night Out (NNO): PTO had a booth at national night in August and we were able to spread the word about the PTO and give some fun freebies!

- Boy Scout 58 Yard Sale: We were invited to join the first annual Boy Scout 58 Yard Sale at Benton's Sugar Shack. All proceeds were split 50/50 between the Thornton PTO and Campton PTO. We were given a check for \$1100 which will be allotted for school supplies. We are working with the teachers to identify and purchase any needed items.

• Recyclables (writing items)- The Recycling Program we started last year for used writing items such as Pens, pencils, markers, crayons, etc. The school collected a large box of writing items which we look recycled. We look forward to continuing this recycling program this year. If you have any items, please send them in with your child or use the recycling bucket at the Thornton Library.

Items Purchased to support Students and School

- Outdoor Metal Trashcan- Sturdy Outdoor trashcan was purchased in the hopes to better keep the TCS playground and grounds clean.

- AED near front office- We ordered another AED to secure near the front office in case of emergencies. There is one on the other end of the building near the Gym, however having one near the office will allow for a faster reaction time if needed.

Ways to get involved!
