MEET OUR BOARD MEMBER

DeNae Bechard

Board President

DeNae became a board member March of 2023.

Why did she become a board member? "I had considered becoming a CASA previously, but my schedule didn't allow the flexibility needed. I was approached about serving as a board member instead and

was happy to volunteer my time in a way that can still make a positive difference for the youth in our region."

What does she enjoy about being a board member? "I enjoy supporting and working with the knowledgeable professionals in the NCK CASA/Hope's Place CAC organization and seeing their passion reflect in their work. I love knowing that they, and in turn we as a board, are helping create hopefully positive outcomes for difficult and unfortunate circumstances."

Words from DeNae: "Hello all! I'm DeNae. 2024 brought my second year as a member of the board of directors where I'm currently serving as Board President. The mission of our organization is near and dear to my heart because I've seen firsthand the positive impact it has had on youth."

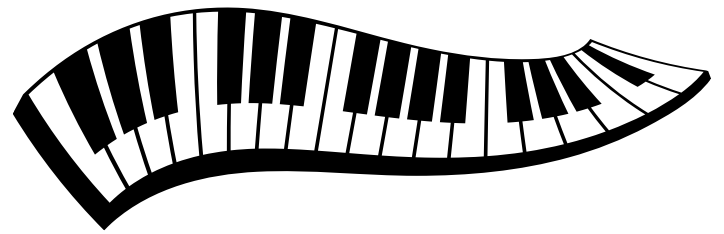

I grew up in a home daycare that my mother ran for over 18 years and saw many different situations and family dynamics, some obviously more troubled than others. I saw the difference that constructive, positive influence can have on any child, and the importance of having someone in their corner with their best interest in mind. I currently work for K-State Research and Extension in the Beloit office where I enjoy serving the public and youth through 4-H and other ag and community wellness initiatives. I live in Cawker City with my husband, our daughter, and dog, and enjoy coaching softball, fishing, reading, and playing disc golf in my spare time!"
