

WELCOME TO THE COURSE!

This 18-hole disc golf course was built in 2014. It features a great mix of open and wooded shots, as well as holes varying in difficulty from novice to professional.

The front 9 holes are perfect for new players while the back 9 are well suited for veteran players.

Thank you for visiting our course. Please keep an eye out for flying discs and as always, have fun!

HOW TO PLAY:

The objective of disc golf is to complete the course in the fewest throws.

Start from the tee pad and work your way to the basket.

Like golf, you must play each throw from the resting spot of your previous throw.

The hole is complete once your disc comes to rest in the basket, below the chains.
