# SEASON EXPECTATIONS

## BUILDING WRESTLERS FOR LIFE

| | | |
|---|---|---|
| 01 | **LET THEM GROW** | Progress is not linear. Encourage effort, resilience and learning through wins and losses. |
| 02 | **LET COACHES COACH** | During practices and matches, give coaches room to teach. Cheer positively from the stands. |
| 03 | **RESPECT IS OUR STANDARD** | Parents, coaches and athletes treat each other, officials and opponents with respect. |
| 04 | **RIGHT GOALS FOR EACH GROUP** | Mighty Mites & Rookies: fun and long-term love of wrestling, not medals.<br>Academy: greater competition and results focus while keeping the joy. |

**OUR PRIORITY • Build confidence, character and longevity in the sport. Success is bigger than a podium.**

# TEXAS SKILL DIVISIONS

## ROOKIE / NOVICE / OPEN

| | | |
|---|---|---|
| 01 | **ROOKIE** | Entry-level division for eligible first-year wrestlers. A chance to learn against similar experience. |
| 02 | **NOVICE** | A developmental step above Rookie, typically for wrestlers with more experience. Rules vary by event. |
| 03 | **OPEN** | Full competitive division. More experienced athletes and tougher matchups are common. |
| 04 | THE ROOKIE CLOCK STARTS | Competing in any tournament starts your wrestler's Rookie clock. The following season, they move to Novice/Open regardless of how many matches they wrestled. Be patient with tournament entry unless your AWA coaches instruct you. Our priority is long-term growth, not immediate results. |

IMPORTANT • Confirm current tournament eligibility rules with AWA before registering. We want every wrestler set up for long-term success.
