

"Aisha further said, 'And whoever tells you that the Prophet knows what is going to happen tomorrow, is a liar.'"

-Bukhari Volume 6, Book 60, Number 378

Muhammad was accused many times of borrowing false stories.

As a matter of fact, Muhammad never directly quotes Abraham's, Moses' or Jesus' words. How could Muhammad be the seal of the prophets but never once directly quote the Fathers of your faith?

"We have heard this (before): if we wished, we could say (words) like these: these are nothing but tales of the ancients." -Surah 8:31

"When thou readest unto him Our revelations, saith: (Mere) fables of the men of old." -Surah 83:13

People recognized that these stories were just nonsense and had been spreading for years. Because Muhammad was illiterate, we find exactly what you would expect from an oral culture. He couldn't tell the difference between truth and error. Muhammad was sharing the floating knowledge, with a mixture of fables and beliefs of the community.

Muhammad was rejected in Mecca as being a prophet. He then migrated with a small band of followers to Medina and was later rejected by the people living there as being a prophet. Who could blame them, when he didn't know any of the previous Prophets' teachings and had such bizarre superstitions beliefs and unsound reasoning?

A common occurrence over history is that Satan disguises himself as an Angel and convinces people that he is giving them a message from God, and then those people believe they are speaking for God. The Bible warns us that Satan disguises himself as an Angel of light. This isn't surprising: If people are deceiving enough to fake and gain the trust of someone for a devious purpose, why can't Satan, who is the author of evil? This happened with the Mormon's founder, Joseph Smith. He was visited by the Angel Moroni. The founder of the Black Hebrew Israelites, Ben Carter (later Ben Ammi Ben-Israel), was visited, ironically, by the Angel Gabriel. This has happened many, many times; just google it. Are you aware that Muhammad thought he was possessed by a demon when he encountered the Angel Gabriel and that he was suicidal?

"So I [Muhammad] read it, and he [Gabriel] departed from me. And I awoke from my sleep, and it was as though these words were written on my heart . . . Now none of God's creatures was more hateful to me than an [ecstatic] poet or a man possessed: I could not even look at them. I thought, 'Woe is me poet or possessed - Never shall Quraysh say this of me! I will go to the top of the mountain and throw myself down that I may kill myself and gain rest.' So I went forth to do so

and then when I was midway on the mountain, I heard a voice from heaven saying 'O Muhammad! thou are the apostle of God and I am Gabriel.'" -Ibn Ishaq, The Life of Muhammad, Sirat Rasul Allah translated by A. Guillaume, Pg 106

"For Satan himself transforms himself into an angel of light." -2 Cor. 11:14

Dear Muslim, you need to be critical in your thinking. Do you actually believe a dirty fly has a cure in one of its wings, that camel's urine is medicine, or that nothing can pollute water? Muhammad was an overly superstitious, weird mystic. This is just the beginning; **there are hundreds of Hadith that would shock you with what Muhammad did and said.**

Muhammad received his revelation of fighting Surah 22:39-41. Muhammad then initiated caravan raids on pagan tribes, killing and stealing their money in the name of Allah. Despite being invited to Medina, Muhammad eventually expelled two of the Jewish tribes under threat of death and beheaded all the adult males of the Qurayzah tribe. The point is that Muhammad only attracted a few people who actually believed he was a prophet. Many converted because he promised them treasures from victories in battle and promised them Paradise with virgins if they died in Jihad. The rest were converted at the threat of death. Islam then enforced the law Blasphemy which could be anything as little as doubting or challenging any of Muhammad's teachings; this has led to countless executions and imprisonments right up to modern times. It stops Muslims from critically thinking and instead of confronting difficult questions and getting answers. Muslims are supposed to follow in blind obedience. Please investigate and find out if you can trust Muhammad - *your soul depends on it!*

Do Muslims Really Believe

This?

Do Muslims know Muhammad said a fly on its wings has a disease and a cure, so if it falls in your drink to dip it in?

Flies are disgusting insects that land on feces, carcasses and garbage; they collect bacteria and can transmit diseases. *"The Prophet said 'If a house fly falls in the drink of anyone of you, he should dip it (in the drink) and take it out, for one of its wings has a disease and the other has the cure for the disease.'" -al-Bukhari 3320*

Do Muslims know Muhammad commanded that if you drink standing up you should vomit?

Can there be any rational reasoning to this ridiculous statement? *"Abu Huraira reported Allah's Messenger as saying: None of you should drink while standing; and if anyone forgets, he must vomit." -Sahih Muslim 2026*

Do Muslims know that Muhammad had an obsession with urine?

He believed Satan urinates in your ears when you're sleeping! He actually advised people to drink camel urine as medicine, he believed many people are in Hell because of urine, and people from other tribes would make fun of him because he peed like a girl. *"A person was mentioned before the Prophet and he was told that he had kept on sleeping till morning and had not got up for the prayer. The Prophet said, 'Satan urinated in his ears.'" -al-Bukhari 1144*
"A group of people from `Ukl (or `Uraina) tribe. . . came to Medina and (they became ill, so the Prophet ordered them to go to the herd of (Milch) she-camels and told them to go out and drink the camels' urine and milk (as a medicine)." -al-Bukhari 6805
"The Messenger of Allah passed by two new graves, and he said: 'They are being punished, but they are not being punished for anything major. One of them was heedless about preventing urine from getting on his clothes. . .'" -Sunan Ibn Majah Vol. 1, Book 1, Hadith 347
"The Messenger of Allah came out to us with a small leather shield in his hand. He put it down, then he sat behind it and urinated toward it. Some of the people said: 'Look, he is urinating like a woman.' He heard that and said: 'Do you not know what happened to the companion of the Children of Israel? If they got any urine on themselves they would dip that part of their garments off. Their companion told them not to do that and he was punished in his grave.'" -Sunan an-Nasa'i Vol. 1, Book 1, Hadith 30

Do Muslims know that Muhammad believed that nothing could pollute water, even menstrual clothes and dead dogs?

Muhammad couldn't be any more wrong; in developing countries, about 80% of illnesses are linked to poor water and sanitation

conditions. Polluted water kills millions of people every year. *"The people asked the Messenger of Allah 'Can we perform ablution out of the well of Buda'ah, which is a well into which menstrual clothes, dead dogs and stinking things were thrown?' He replied: Water is pure and is not defiled by anything." -Sunan Abi Dawud Book 1, Hadith 66*

Do Muslims know Muhammad says Satan farts when he hears the call to prayer?

Why does Muhammad have these foolish, meaningless revelations? Does that mean Satan is constantly farting all day and every day because the call of prayer varies in different time zones? And who cares; how does this help anyone? *"Allah's Messenger said, 'When the call for prayer is made, Satan takes to his heels passing wind so that he may not hear the Adhan.'" -al-Bukhari 1231*

Do Muslims know that they consider the seal of the Prophets a cluster of moles on Muhammad's back?

Do you know how many millions of people have moles on their back? How is this a special sign? If God wanted to have a special sign proving the seal of the Prophets, why wouldn't God make the sign miraculous like being born from a virgin or being taken up to Heaven? *"I saw Allah's . . . I then went after him and saw the Seal of Prophethood between his shoulders on the left side of his shoulder having spots on it like moles." -Sahih Muslim 2346*

Do Muslims know that Muhammad actually believed that God likes it when you sneeze and that yawning is from Satan?

Science proves sneezing is an involuntary reaction the body does to clear dust, pollen, etc., from your nose, so why does God like this? Yawning comes from Satan!? Does this give you more or less confidence that Muhammad is a Prophet of God? *"The Prophet said, 'Allah likes sneezing and dislikes yawning, so if someone sneezes and then praises Allah, then it is obligatory on every Muslim who heard him, to say: May Allah be merciful to you (Yar-hamuka-l-lah). But as regards yawning, it is from Satan, so one must try one's best to stop it, if one says 'Ha' when yawning, Satan will laugh at him.'" -al-Bukhari 6223*

Do Muslims know that Muhammad ordered all the dogs in Medina to be killed and sent out an execution mob to butcher them all?

Dogs can be the most loyal, affectionate friends; and are created by God. Why does Muhammad hate what God created?

Could you imagine Muhammad and his followers running through your city slaughtering every dog they could find? *"Allah's Messenger ordered the killing of dogs and we would send (men) in Medina and its corners and we did not spare any dog that we did not kill. . ." -Sahih Muslim 1570c*

Do Muslims know Muhammad actually believed a fever was caused by the heat of Hell?

Muhammad is in direct contradiction with all medical doctors! Science proves that a fever is caused by a virus or a bacteria, and it indicates your body is fighting the foreign pathogen. *"The Prophet said, 'Fever is from the heat of Hell.'" -al-Bukhari 5725*

Spirituality is basic human desire to know God; to seek him out. We don't look at the world and believe nothing created everything. We are attracted to serve something bigger than us that has a deeper purpose. But we know there is only one true God. We can easily be deceived spirituality by following superstitious rules, doing rituals, wearing pious clothing, or music and lighting. It stirs up feelings that make us believe we are serving God. But how do you know Muhammad was the Prophet of the one true God?

Muhammad never did any miracles. He was repeatedly questioned on why he didn't. Every major prophet of the Bible did incredible miracles.

"But (now), when the Truth has come to them from Ourselves, they say, 'Why are not (Signs) sent to him, like those which were sent to Moses?'" -Surah 28:48
"And they say, 'Why has a sign not been sent down to him from his Lord?'" -Surah 6:37

Prophets are able to prophesize the future but Muhammad couldn't.

The exact criterion that the Bible gives to determine to know if a person is from God is they can predict the future. Even Aisha claimed Muhammad didn't know the future, but God knows the future and he will reveal it to his prophets to confirm their authenticity. *"... But the prophet who presumes to speak a word in my name that I have not commanded him to speak, or who speaks in the name of other gods, that same prophet shall die.' And if you say in your heart, 'How may we know the word that the LORD has not spoken?'— when a prophet speaks in the name of the LORD, if the word does not come to pass or come true, that is a word that the LORD has not spoken; the prophet has spoken it presumptuously. You need not be afraid of him." -Deut. 18:20-22*
