BOIL WATER ADVISORY LIFTED

As of 5:00pm on Monday July 27, 2026, the Ellijay-Gilmer County Water & Sewerage Authority (Authority) is lifting the Boil Water Advisory that was issued on Sunday July 26, 2026. The Boil Water Advisory was issued due to a ruptured 8” PVC water main on Progress Road in the City of Ellijay. The Boil Water Advisory is lifted for all areas of the Authority’s water distribution system.

Authority crews completed repair of the water main and disinfection and flushing procedures were performed with samples being taken to a certified laboratory for microbiological testing.

Microbiological test results were negative for total coliform bacteria, and the water has been deemed to be safe for human consumption.

The Authority apologizes for any inconvenience and appreciates the patience of all customers affected by this event.

If you have any questions or concerns, please contact the Authority at (706) 276-2202.
