Some classes offered are not eligible for points in certain breeds but are included in the Overall Award.

For the Open & Cowboy classes an Exhibitor may ride more than one horse in each Division according to the rules of their breed Association (for the All Other Breed classes they must follow AQHA rules as to the number of horses shown)

The Overall Award is based on **one horse/ one rider**. Exhibitors who are showing more than one horse in the **same Division** must choose one horse to compete for the Overall and must show that horse in the Pleasure and Conformation. They may have another Exhibitor show their other horses in those classes, but it will not count for Overall Champion.
