IT STARTS WITH
QUALITY QUARTZ

There's a reason Cambria rises above the rest. Pure white quartz. Starting with the finest natural material, we're able to create our signature surfaces to be rich in character, deep in beauty, and unmatched in quality.

DESIGNED TO INSPIRE

Cambria quartz surfaces are designed to intrigue and impress—from factory to first touch.

With chip-, acid-, and scratch-resistant durability, you'll retain peace of mind and great-looking surfaces for years to come.

FOOD SAFE AND
MAINTENANCE FREE

Countertops are meant to be enjoyed every day. That's why Cambria maintenance-free quartz surfaces are easy to clean, never require sealing, and are certified food safe.

So go ahead and prepare food on it. Spill a little wine. The nonabsorbent surface will remain looking great for years.

SUSTAINABLY BUILT

Beauty is more than surface deep. Following thoughtful, sustainable mining and manufacturing practices, Cambria creates dramatic, high-quality quartz surfaces that elevate your home while respecting the earth.

BOLD. ICONIC. DARING.
