

Snow Removal Request Form

Handicapped/Disabled List - If you are in need of special attention with snow and ice removal, as a courtesy, the Association maintains a list of those Co-Owners and residents that need this service, forms can be obtained at the Clubhouse office. **This form must be filled out yearly.**

You must complete and return the Special Attention Form along **with a copy of your handicap sticker that is displayed in your car.** (*We will make the copy for you.*) Anyone with a permanent handicap plate will of course be on the list. However we will still need a completed form on file and we will need to know if this condition is a temporary or permanent condition. Additionally, those residents with permanent handicap plates will need to provide a copy of their vehicle registration.

We cannot guarantee that Maintenance will be able to provide this special attention for every snow event; however, we will make every effort to do so.

If you are requesting this special service, please fill in the information below.

Check the box below that applies to you:

- Co-Owner is disabled
- Co-Owner is disabled and employed full-time or part-time.
- Co-Owner is disabled and has regular scheduled doctor appointments, therapy sessions, chemotherapy treatments etc.

Please describe: _____

Date: _____ Unit #: _____

Co-Owner Name: _____

Address: _____

Phone(s): _____

Please fill out the form completely, explaining your disability and your reasons for requesting that you be placed on the Disabled List

Residents who meet the above criteria and provide a doctor's note stating your disability will have the snow cleared away from their porch and sidewalk first, and within snow policy parameters.
