COMPETITOR SERIES®

WARRANTY PROTECTION PLAN

(1) Year Labor Warranty: Queeng warrants to the original purchasers of the Queeng unit sold a 1 Year Service Warranty, which begins at the date of registration or (90) days from the date of shipment by us, which ever is earlier. Queeng reserves the right to service the unit only with an authorized Queeng service agent. Unauthorized service of the unit is not subject to this warranty. The term "original purchaser" as used herein shall be deemed to mean that person, firm, association or corporation for whom the refrigeration unit referred to herein is originally installed. Any part returned to company under the terms of this warranty must be accompanied by a record of the cabinet model number, serial number, return authorization number, and such return shall be on the basis of Transportation charges prepaid.

(1) Year Parts: Queeng warrants to the original purchaser the Queeng unit sold and all parts thereof to be free from defects in material or workmanship, under normal use and service for a period of 1 year, from the date of registration, or (15) months from the date of shipment by us, whichever is earlier. Our obligation under this warranty shall be limited to repairing or replacing F.O.B. factory any of such product which proves thus defective and which our examination shall disclose to our satisfaction to be defective. Transportation Charges for Warranty Parts are to be prepaid by Claimant.

(5) Years Compressor: Queeng warrants the hermetically sealed compressor for (5) years, not to exceed (63) months from the date of shipment from our plant, provided, upon receipt of the compressor, manufacturer examination shows the sealed compressor to be defective. This extended warranty does not apply to any electrical controls, accumulator, or wiring harness, which items are covered by the parts warranty listed below. Transportation Charges for Warranty Compressor are to be prepaid by claimant. The compressor warranty is valid for (1) compressor per refrigeration unit.

Queeng reserves the right to void this warranty due to the following: A. Improper operation due to low voltage conditions, inadequate wiring, and accidents or damages that are not manufacturing defects. These are strictly the responsibility of the purchaser. B. Condenser coils must be cleaned at regular intervals, at least once per month. Failure to do so can cause compressor malfunction, and it will void the warranty C. These units must operate in normal ambient conditions, temperatures of 90 degrees F and 50% relative humidity. Overheating due to excessively hot environments may void the portions of this warranty. D. These units are for in door use only. No claims can be made against this warranty for loss of product. This contract does not apply outside the limits of the USA or Canada, nor does it apply to any part which has been subject to misuse , neglect, alternation, accident, or to any damage caused by transportation, flood, fire or the acts of God.

These warranties are in lieu of all other warranties, expressed or implied, and all other obligations or liabilities on our part, and we we neither assume nor authorize any other person to assume for us any other obligation or liability in connection with the sale of said refrigeration units or any part thereof. This warranty shall not be assignable and shall be honored only in so far as the original purchaser.

All Warranty Service Calls must be Pre-approved by Queeng prior to contracting service agents or purchasing over-the-counter parts for reimbursement.
